Tom Dalzell

Sloppy Seconds English Edition:

Sloppy Seconds Tucker Max, 2012-02-07 Tucker Max's books *I Hope They Serve Beer In Hell*, *Assholes Finish First* and *Hilarity Ensues* are a uniquely engaging trilogy composed of his best craziest stories. They've sold millions of copies to fans all over the world. Their success has meant his success. As a thank you to those who have loved the stories and supported him for so long, Tucker has gone back through his massive archive of material, one last time culled out what you might call the best of the rest and arranged it here in *Sloppy Seconds*, like a book version of Deleted Scenes. Unlike most deleted scenes, however, these don't suck. So enjoy. **Sloppy Seconds** Bob Benson, 2013-06-21 A teen sex story without the teens or the gratuitous pool scene. A coming of age story now worrying about the expiration date more than the legal age. A once in a lifetime chance to make a second impression on your first loves. A Professor at a community college, a failed writer, a love refugee, 53 year old Dr Tom Dawson gets a second chance at the dream. Would it even matter? This time even the cops would be called. Things and people change. It could be a sex comedy with a few shades of gray. It could just be a wild interlude preceding a boring retirement.

The New Partridge Dictionary of Slang and Unconventional English Tom Dalzell, Terry Victor, 2015-06-26 Booklist Top of the List Reference Source The heir and successor to Eric Partridge's brilliant magnum opus *The Dictionary of Slang and Unconventional English*, this two volume *New Partridge Dictionary of Slang and Unconventional English* is the definitive record of post WWII slang. Containing over 60 000 entries, this new edition of the authoritative work on slang details the slang and unconventional English of the English speaking world since 1945 and through the first decade of the new millennium with the same thorough, intense and lively scholarship that characterized Partridge's own work. Unique, exciting and at times hilariously shocking, key features include unprecedented coverage of World English with equal prominence given to American and British English slang and entries included from Australia, New Zealand, Canada, India, South Africa, Ireland and the Caribbean, emphasis on post World War II slang and unconventional English, published sources given for each entry, often including an early or significant example of the term's use in print, hundreds of thousands of citations from popular literature, newspapers, magazines, movies and songs illustrating usage of the headwords, dating information for each headword in the tradition of Partridge commentary on the term's origins and meaning. New to this edition: A new preface noting slang trends of the last five years. Over 1 000 new entries from the US, UK and Australia. New terms from the language of social networking. Many entries now revised to include new dating, new citations from written sources and new glosses. *The New Partridge Dictionary of Slang and Unconventional English* is a spectacular resource infused with humour and learning; it's rude, it's delightful and it's a prize for anyone with a love of language. 30 Seconds Sam Bettina Giancana, 2008-11-15 Marty, English advertising executive, seems to be leading the perfect life: no one knows that he is really the estranged son of Chicago's Mafia Don. When he pulls in a multi-million dollar account with Isaac Arrow Pharmaceuticals to promote its new herbal line, it looks like he's a shoe-in to replace the aging president of his agency. The only problem is that the ad must be completed for airing during the Superbowl, less than three weeks away, with practically no time to head to Belize and shoot a commercial that will highlight Isaac Arrow's ecological commitment. Unbeknownst to Marty, the heads of Isaac Arrow have long been in cahoots with the Mob, the CIA and the heads of Planetlife, a bogus eco-resort that is really a front for the manufacture of a highly potent drug. When Tony Inglesia, Marty's father, refuses to go in on the distribution of this new drug, the others in the crime ring plan to eliminate this roadblock as soon as he relinquishes his CD-Rom disk, which contains one-third of the code necessary to access a Swiss bank account containing millions. But their plan is thwarted: Tony's right-hand man murders his boss to get in on the action, and now all that matters to them is that they recover the disk, which is now unmarked with its significance, unexplained in Marty's possession. For the first time, Marty must depend on the help of a county cop and his beautiful long-time companion, Reiki, to help him crack the mysterious code the disk contains and bring down the crime ring and stay alive in the process.
