Notes and Queries ,1884 *The Christian Life* ,1883 **Marlowe and Shakespeare** Robert Sawyer,2017-08-22
Instead of asserting any alleged rivalry between Marlowe and Shakespeare Sawyer examines the literary reception of the two when the writers are placed in tandem during critical discourse or artistic production Focusing on specific examples from the last 400 years the study begins with Robert Greene s comments in 1592 and ends with the post 9 11 and 7 7 era The study not only looks at literary critics and their assessments but also at playwrights such as Aphra Behn novelists such as Anthony Burgess and late twentieth century movie and theatre directors The work concludes by showing how the most recent outbreak of Marlowe as Shakespeare s ghostwriter accelerates due to a climate of conspiracy including belief echoes which presently permeate our cultural and critical discourse **Notes and Queries** Anonymous,2025-08-24 Reprint of the original first published in 1856 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *The Chase* ,1924 **Marketing Library Services** ,2007 **The Golden Hour** Kate Lord Brown,2025-04-10 From decadent Cairo in the 1930s to bohemian Beirut in the 1970s an epic yet intimate story of great love and lasting friendship Exquisite Ruth Hogan Evocative Good Housekeeping Epic sweeping and gloriously romantic Veronica Henry Sumptuous and immersive Platinum As her home Beirut teeters on the brink of war Polly Fitzgerald has one last story to tell about her best friend Juno and their life together in Cairo Juno was vital and brilliant and determined to succeed in her ambition to uncover Nefertiti s tomb But Juno and Polly s friendship was bound by a secret one that has never been told Now as Polly s daughter Lucie travels to Beirut to be with her dying mother the mystery of what happened many years ago must be revealed *Notes and Queries: A Medium of Inter-Communication for Literary Men, Artists, Antiquaries, Genealogists, Etc* ,1856 *The Routledge Companion to Feminism and Postfeminism* Sarah Gamble,2004-11-23 Approachable for general readers as well as for students in women s studies related courses at all levels this invaluable guide follows the unique Companion format in combining over a dozen in depth background chapters with more than 400 A Z dictionary entries The background chapters are written by major figures in the field of feminist studies and include thorough coverage of the history of feminism as well as extensive discussions of topics such as Postfeminism Men in Feminism Feminism and New Technologies and Feminism and Philosophy The dictionary entries cover the major individuals and issues essential to an understanding both of feminism s roots and of the trends that are shaping its future Readers will find entries on people such as Aphra Behn Simone de Beauvoir Princess Diana Courtney Love and Robert Bly and on subjects such as Afro American feminism cosmetic surgery the new man prostitution reproductive technologies and slasher films **The Publishers' Circular and Booksellers' Record of British and Foreign Literature** ,1891 *Readers' Liberation* Jonathan Rose,2018-01-05 The Literary Agenda is a series of short polemical monographs about the importance of literature and of reading in the wider world and about the state of

literary education inside schools and universities The category of the literary has always been contentious What is clear however is how increasingly it is dismissed or is unrecognised as a way of thinking or an arena for thought It is sceptically challenged from within for example by the sometimes rival claims of cultural history contextualized explanation or media studies It is shaken from without by even greater pressures by economic exigency and the severe social attitudes that can follow from it by technological change that may leave the traditional forms of serious human communication looking merely antiquated For just these reasons this is the right time for renewal to start reinvigorated work into the meaning and value of literary reading For the Internet and digital generation the most basic human right is the freedom to read The Web has indeed brought about a rapid and far reaching revolution in reading making a limitless global pool of literature and information available to anyone with a computer At the same time however the threats of censorship surveillance and mass manipulation through the media have grown apace Some of the most important political battles of the twenty first century have been fought and will be fought over the right to read Will it be adequately protected by constitutional guarantees and freedom of information laws Or will it be restricted by very wealthy individuals and very powerful institutions And given increasingly sophisticated methods of publicity and propaganda how much of what we read can we believe This book surveys the history of independent sceptical reading from antiquity to the present It tells the stories of heroic efforts at self education by disadvantaged people in all parts of the world It analyzes successful reading promotion campaigns throughout history concluding with Oprah Winfrey and explains why they succeeded It also explores some disturbing current trends such as the reported decay of attentive reading the disappearance of investigative journalism fake news the growth of censorship and the pervasive influence of advertisers and publicists on the media even on scientific publishing For anyone who uses libraries and Internet to find out what the hell is going on this book is a guide an inspiration and a warning **Soldier of Fortune** ,2001
