little tenderness goes a long way in heart to heart communication It renews a right spirit and warms the hearts of all participants Just a smile or a wave can make a good day for someone Don t forget the hugs The twenty four chapters in this book provide examples of tenderness Many of the chapters are devoted to family members Other chapters are devoted to helping someone else like neighbors In one of the chapters Emily shovels snow off a neighbor s walkway and Kevin her brother who is resting on a couch gets an inner feeling to go help Emily He approaches Emily with a tear in his eye and they work together shoveling snow In several chapters Emily and Kevin help a poor organ grinder and his little monkey The organ grinder s house is more like a shack than a house Emily and Kevin replace many sideboards on the exterior of the house and wallboard on the walls and ceiling inside the house Emily and Kevin train five chimps to stand on one another s shoulders so that they are five chimps high with a paint can and brush in the hands of the top chimp The bottom chimp moves sidewise

and when the topmost chimp is through painting his section he hands the paint can and brush to the next chimp down The top chimp then jumps down and the remaining chimps continue this scenario until the entire house is painted **Live Well**
