Move Patty Azzarello, 2017-02-03 Move past the obstacles and implement your new strategy Move is your guide to mobilizing your whole organization to take your business forward Whatever your needed transformation may be a new initiative a new market a new product your fresh strategy is up against a powerful foe an organization s tendency to stay very busy and completely engaged what it s already doing This book shows you how to cut through resistance and get your team engaged and proactively doing the new thing Author Patty Azzarello draws on over twenty five years of international business management experience to identify the chronic challenges that keep organizations from decisively executing strategy and to give you a practical game plan for

breaking through Leaders tend to assume that stalls in execution are inevitable unchanging parts of the workplace but things can change At the heart of every execution problem is the fact that there simply are not enough people doing what the business needs This guide shows you how to get your entire organization on board remove the fear excuses and hurdles and uphold the new pursuit against distractions and dissent No transformation can succeed without suitable engagement from the whole organization but building engagement can be difficult uncomfortable and tentative This book shows you how to get it done Get your organization to embrace and personally commit to the new work Remove obstacles and passive aggressive attacks that block progress Defend new strategic initiatives against short term pressures to revert to business as usual Sustain momentum and the desire to move forward Make sure no one is ever asking Are we still doing this Inertia isn't just a law of the universe it's a law in the workplace that can be a major obstacle to making things happen The great thing about inertia is that it cuts two ways a body at rest remains at rest but a body in motion remains in motion People love to finish things Move shows you how to make successful execution the new norm starting today **FCC Record** United States.
