Bruner, 2016-11-09 My primary reason for recording the events of these youthful years is for the pure and simple enjoyment of my children and grandchildren My two incredible daughters Chrissy and Jenny and my wonderful wife Connie have been lovingly prompting me for years to do this So here you have it Not all of it but some of it Growing up in Carroll Iowa in the 40s 50s and early 60s was so exciting and so much fun that words cannot capture the reality of it all My brother Snap and I were Mark Twains Tom Sawyer and Huck Finn with one major difference We actually did all this stuff and somehow lived to tell about it Each chapter is written according to my recollections There was no collaboration with Snap or

any other characters in this book Some of the names have been changed to protect the privacy of certain individuals and their families I have written as if I were telling the story at that age and corresponding state of mind Its not intended to be perfect prose Far from it Its an effort to take you on a fun filled journey back to a time and times that should not pass with my passing The chapters of this book are not in chronological order So kick back and read them at any time and in any order that piques your interest All of these events truly happened I know because I was there And I wrote the book I am John W Bruner

Snapchat Viktoria Schoja,2016-03-14 Snapchat is a photo messaging application which was developed in 2011 by Evan Spiegel and Bobby Murphy It is a new way to take pictures or video adding text or drawings over a mobile phone and send them to friends or family with specifications on how long the photo will be available for viewing User can set a time of 1 to 10 seconds for the viewing The timer starts to count down the predefined seconds when the recipient opens the message After the time is up the picture is deleted from the device and cannot be shown to the user anymore Once the user downloads the app on his phone it is essential to register with username and set a password Subsequently the app access the contact list on users phone to load friends Additionally users can add other contacts beyond the existing one manually Snapchat is a new way of sharing moments with friends on iPhone and Android The company compares its product with a phone call where a record of the communication persists however the actual content of the communication does not Even though Snapchat launched many products there is one key feature that they all share deletion The app s mascot which is also used as logo is called Ghostface Chillah a name Brown derived from Ghostface Killah of the hip hop group Wu Tang Clan Snapchat Inc is a privately held venture capital backed company headquartered in Venice California USA The application was first launched in July 2011 as a result of Evan Spiegel s projects at Stanford University under the name Picaboo However the idea of disappearing pictures did not convince other project participants In July 2011 Picaboo was renamed and re launched into Snapchat The former team Evan Spiegel Reggie Brown and Bobby Murphy focused on usability and technical aspects rather than branding efforts at the beginning in order to reach as many user as possible
