Born on the Bayou Blaine Lourd,2016-08-02 In the tradition of the modern classics *The Tender Bar* by J R Moehringer and *The Liars Club* by Mary Karr Blaine Lourd s *Born on the Bayou* is a powerful gothic memoir set in the bayous and oil towns of 1970s Louisiana Coonass koon as noun slang from the French conasse a term of endearment and an expression of cultural and ethnic pride So echoes this all important definition throughout this good humored memoir of growing up in the South A rollercoaster rags to riches story Blaine Lourd s meaningful debut is both a nostalgic send up of 60s and 70s Louisiana and a heartfelt portrait of one family s coming of age In honest confessional prose *Born on the Bayou* transports us to a pocket of the South where Lourd learns how to be a man from the two people he looks up to the most his

larger than life father Puffer a prominent figure in the oil business coonass translation awl bidness and his successful older brother Bryan With an eye turned perpetually toward the gruff and distant Puffer Lourd illustrates how those closest to us can cause the most hurt even as we seek their approval Whether he s learning how to skin a duck at age ten enjoying his first beer at thirteen or detailing the finer points of ride on lawn mowing Lourd gets to the heart of being a Southerner with rawness and grace From his early childhood through his eventual pilgrimage to the West Coast he beautifully details what it means to have tangible roots to a place so ingrained it is a part of your own being From barreling down the low country roads in a shiny Thunderbird to chasing women and learning to be a gentleman Born on the Bayou is one man s struggle against the forces of family love loyalty and obligation and the ties that keep us tethered to our roots no matter how far we run As the saying goes a coonass always goes his own way **Popular Mechanics** ,1995-05 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it s practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle *Popular Mechanics* ,1989-03 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it s practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle
