out there has a story of how and why they end up in the positions they're in. Most of all, she didn't expect to be falling in love with a man dying of alcoholic liver cirrhosis. This is the story of how two people, regardless of the dark cloud over their love, decided to fight to be together until the very end, whether it was the outcome they prayed for or not, all the while bringing happiness and joy to each other amid a painful disease.

100 Days of Happiness Fausto Brizzi, 2016-07-05 Funny, moving. I defy anyone to finish this story without tears in their eyes. Graeme Simsion, bestselling author of *The Rosie Project*. What would you do if you knew you only had 100 days left to live? For Lucio Battistini, it's a chance to spend the rest of his life the way he always should have by making every moment count. Imperfect, unfaithful, but loveable, Lucio has been thrown out of the house by his wife and is sleeping at his father-in-law's bombolini bakery when he learns he has inoperable cancer. So he begins the last hundred days of Lucio's life as he attempts to right his wrongs, win back his wife, the love of his life, and afterlife, and spend the next three months enjoying every moment with a zest he hasn't felt in years. In 100 epigrammatic chapters, one for each of Lucio's remaining days on earth, *100 Days of Happiness* is as delicious as a hot doughnut and a morning cappuccino. Wistful, touching, and often hilarious, *100 Days of Happiness* reminds us all to remember the preciousness of life and what matters most.

Save Me from the Waves Jessica Hepburn, 2024-04-16 An adventure story with a difference. From sea to summit. Fully soundtracked. A breathtaking adventure of a truly inspirational woman, Maxine Peake. Jessica Hepburn is an unlikely athlete; she was labelled the arty, not the sporty one, in school. She hates exercise and believes the only reason to do it is for food, booze, and box sets on the sofa. However, in her forties, following a succession of hard and sad life experiences, she started to try and exercise her way out of heartbreak. She has now become one of the world's most extraordinary endurance athletes. The first and only woman currently on the planet to have completed the Sea Street Summit Challenge, which is to swim the English Channel, run the London Marathon, and climb Mount Everest, which she calls Chomolungma, the mountain's original Sherpa name. And possibly the only woman, although this can't be officially certified, to have listened to eighty years and over 3,000 episodes of her favourite radio programme, *Desert Island Discs*. *Save Me from the Waves* is an inspirational story of physical and mental endurance which starts on the streets of London and culminates on top of the world, fuelled by song. It explores the redemptive power of music and mountains. How family and friends can be lost and found in the most unusual places. And encourages everyone to live big and bravely when life doesn't go to plan. Because sometimes we all need saving from the waves. And whether it's high and far away or closer to home, and in your head, an adventure will always change your life for the better.

A Story of My Life Don Felisky, 2017-03-25 It took me over two years and I completed the story of my life over two hundred sixty pages of it. I hope that my story can help you achieve goals that you believe are impossible to achieve without higher education. I tell you to turn from the world and sin, turn to our Father through Jesus, and you will achieve the goals that you fear you cannot achieve but desire dearly to achieve. I can do all things through Christ who strengthens me. Philippians 4:13.
