Smutty Sampler Sex Workers And Career Girls:

Sex Work and Female Self-Empowerment Stephanie Hunter Jones, 2016-03-31 Prior research has tended to mirror popular representations of the female sex worker as a morally flawed individual and a victim of circumstances beyond her control Sex Work and Female Self Empowerment presents a fresh perspective on the world s oldest profession by considering the relationship between sex work and female self empowerment from a variety of disciplinary and practical perspectives and presenting new data derived from the author s study of six self employed indoor female sex workers IFSWs Informed by the author s training in clinical psychology and human sexuality studies and her more than fifteen years of involvement in the sex work profession this book extends beyond social stereotyping and stigmatization and presents a more balanced view of the identities and aspirations of sex workers in contemporary society *Bad Girls and Dirty Pictures* Alison Assiter, Avedon Carol, 1993 For well over a decade half baked analysis and phony science have been used by some feminists to side track the women s movement into puritanical campaigns against sexual material and imaginative sexual exploration Many feminists would say that this widely publicised version of feminism is itself sexist and that the increasingly vocal anti pornography campaigns are founded on theoretical dead ends that have allowed feminists to deviate drastically from the basic goals of women s liberation *Bad Girls Dirty Pictures* puts these anti sex anti porn arguments under the microscope of a more thorough and considered feminist analysis It examines the flaws in the research that purports to prove the harm of pornography and warns against the continuing use of censorship by politicians and the moral right as well as exposing the dangers of anti porn feminist arguments Contributions from a wide range of women including sex workers and academics remind us that pornography does not have a special place in our oppression and that censorship must still be seen as dangerous enemy of women *Bad Girls Dirty Pictures* is a much needed antidote to falsehoods shabby thinking and patronising sexism that have fuelled anti pornography campaigns and misled the women s movement [Sex Work Today](#) Angela Jones, Barbara G. Brents, Bernadette Barton, 2024-11-19 Sex Work Now presents data driven stories written by academics sex working academics and sex workers documenting critical shifts and changes in modern sex industries

Smutty Little Movies Peter Alilunas, 2016-08-23 *Smutty Little*

Movies traces the adult film industry's transition from celluloid to home video beginning in the late 1970s alongside an examination of the cultural and legal efforts to regulate, contain, limit, or eradicate pornography. Drawing on a wide variety of materials, *Smutty Little Movies* de-centers the film text in favor of industrial histories and contexts. In doing so, the book argues that the struggles to contain and regulate pleasure represent a primary entry point for situating adult video's place in a larger history not just of pornography but media history as a whole.
