M. Knox,2015-01-16 Requests for the removal relocation and restriction of

books also known as challenges occur with some frequency in the United States Book Banning in 21st Century American Libraries based on thirteen contemporary book challenge cases in schools and public libraries across the United States argues that understanding contemporary reading practices especially interpretive strategies is vital to understanding why people attempt to censor books in schools and public libraries Previous research on censorship tends to focus on legal frameworks centered on Supreme Court cases historical case studies and bibliographies of texts that are targeted for removal or relocation and is often concerned with how censorship occurs The current project on the other hand is focused on the why of censorship and posits that many censorship behaviors and practices such as challenging books are intimately tied to the how one understands the practice of reading and its effects on character development and behavior It discusses reading as a social practice that has changed over time and encompasses different physical modalities and interpretive strategies In order to understand why people challenge books it presents a model of how the practice of reading is understood by challengers including what it means to read a text and especially how one constructs the idea of appropriate reading materials The book is based on three different kinds sources The first consists of documents including requests for reconsideration and letters obtained via Freedom of Information Act requests to governing bodies produced in the course of challenge cases Recordings of book challenge public hearings constitute the second source of data Finally the third source of data is interviews with challengers themselves The book offers a model of the reading practices of challengers It demonstrates that challengers are particularly influenced by what might be called a literal common sense orientation to text wherein there is little room for polysemic interpretation multiple meanings for text That is the meaning of texts is always clear and there is only one avenue for interpretation This common sense interpretive strategy is coupled with what Cathy Davidson calls undisciplined imagination wherein the reader is unable to maintain distance between the events in a text and his or her own response These reading practices broaden our understanding of why people attempt to censor books in public institutions

Stormbreaker Anthony Horowitz, 2006-02-16 Alex Rider is now an IMDb TV Amazon Original Series Meet the orphan turned teen superspy who's saving the world one mission at a time from 1 New York Times bestselling author They said his uncle Ian died in a car accident But Alex Rider knows that's a lie and the bullet holes in the windshield prove it Yet he never suspected the truth his uncle was really a spy for Britain's top secret intelligence agency And now Alex has been recruited to find his uncle's killers Alex Rider's debut mission is packed with bonus material including an extra Alex Rider short story a letter from Anthony Horowitz and much more From the author of Magpie Murders and Moriarty Slam bang action spying and high tech gadgets a non stop thriller Kirkus Reviews

Scorpia Rising Anthony Horowitz, 2012-03-06 Alex Rider is now an IMDb TV Amazon Original Series Alex Rider is an orphan turned teen superspy who's saving the world one mission at a time from 1 New York Times bestselling author Scorpia has dogged Alex Rider for most of his life They killed his parents they did their best to con Alex into turning traitor and they just keep coming back with more power Now the world's

most dangerous terrorist organization is playing with fire in the world's most combustible land the Middle East No one knows Scorpia like Alex And no one knows how best to get to Alex like Scorpia Until now From the author of *Magpie Murders* and *Moriarty* *Skeleton Key* Anthony Horowitz, 2004-04-12 Alex Rider is now an IMDb TV Amazon Original Series Alex Rider is an orphan turned teen superspy who's saving the world one mission at a time from 1 New York Times bestselling author Alex Rider has been through a lot for his fourteen years He's been shot at by international terrorists chased down a mountainside on a makeshift snowboard and has stood face to face with pure evil Twice young Alex has managed to save the world And twice he has almost been killed doing it But now Alex faces something even more dangerous The desperation of a man who has lost everything he cared for his country and his only son A man who just happens to have a nuclear weapon and a serious grudge against the free world To see his beloved Russia once again be a dominant power he will stop at nothing Unless Alex can stop him first Uniting forces with the CIA for the first time teen spy Alex Rider battles terror from the sun-baked beaches of Miami all the way to the barren ice fields of northernmost Russia *Jews and Jewishness in British Children's Literature* Madelyn Travis, 2013-09-02 In a period of ongoing debate about faith identity migration and culture this timely study explores the often politicised nature of constructions of one of Britain's longest standing minority communities Representations in children's literature influenced by the impact of the Enlightenment the Empire the Holocaust and 9/11 reveal an ongoing concern with establishing maintaining or problematising the boundaries between Jews and Gentiles Chapters on gender refugees multiculturalism and historical fiction argue that literature for young people demonstrates that the position of Jews in Britain has been ambivalent and that this ambivalence has persisted to a surprising degree in view of the dramatic socio-cultural changes that have taken place over two centuries Wide ranging in scope and interdisciplinary in approach *Jews and Jewishness in British Children's Literature* discusses over one hundred texts ranging from picture books to young adult fiction and realism to fantasy Madelyn Travis examines rare eighteenth and nineteenth century material plus works by authors including Maria Edgeworth E Nesbit Rudyard Kipling Richmal Crompton Lynne Reid Banks Michael Rosen and others The study also draws on Travis's previously unpublished interviews with authors including Adele Geras Eva Ibbotson Ann Jungman and Judith Kerr
