

A shirtless man is shown in profile, looking out over a body of water under a cloudy sky. The man is in the lower left foreground, looking towards the right. The background is a vast expanse of water and sky, with a large, bright, white cloud formation in the center-right. The overall tone is contemplative and hopeful.

## **The No Nonsense Guide To International Migration:**

The No-nonsense Guide to International Migration Peter Stalker, 2001 Includes statistics *No-Nonsense Guide to International Migration, 2nd Edition* Peter Stalker, 2008-01-30 No-Nonsense Guide to International Migration, 2nd Edition, 2008 Virtually any commodity can move around the world to satisfy demand but human beings have far less freedom Many would be migrants are forced to risk life and limb traveling illegally Yet most rich countries are short of workers have shrinking populations and need more immigrants The No Nonsense Guide to International Migration is a timely primer to a major issue that is never far from the headlines The No-nonsense Guide to International Development Maggie Black, 2002 All too often what passes for development improves life for the better off while actively hurting the very people the venture was meant to support back cover **No-Nonsense Guide to International Development** Maggie Black, 2007 *The No-nonsense Guide to Global Finance* Peter Stalker, 2009 The basic concepts of finance are introduced and explained in this No Nonsense Guide Includes information on how money is created as well as how decisions by banking and other financial service corporations determine the fate of billions of people In today's turbulent economical climate this guide makes for essential reading *The No-nonsense Guide to Global Terrorism* Jonathan Barker, 2008 A highly accessible history of terrorism looking at core examples from the Middle East instances of state terrorism and terrorist fringes of political movements Covers the theories justifying and guiding terrorist acts and the battle of images that accompanies them including the proliferation of terrorist activities over recent years and international hotspots the war on terror terrorist acts carried out by states and the constraints on democracy and political and civil liberties that so often characterise the response to terrorism **The No-nonsense Guide to Global Media** Peter Steven, 2003 The power and influence of the mass media grows daily crucially affecting the way all of us see and understand each other The No Nonsense Guide to Global Media introduces readers to the political economy of the major media film television radio recording publishing and the Internet Peter Steven looks at the ever greater concentration of ownership and at the convergence of technologies and media functions At the same time he emphasizes the diversity of local media production and media around the world The media is more than the economics of ownership and the technology of production he stresses it is also audiences in all their annoying and wonderful diversity **The No-nonsense Guide to World Music** Louise Gray, 2009 A look behind the catch all term world music aiming to explore the reasons for the contemporary interest in world music who its audience is and why it has become such a popular genre Through chapters on the many different genres that make up this multi faceted area the case for music as a powerful harmonising tool is aptly put forward No-Nonsense Guide to Global Terrorism, 2nd Edition Jonathan Barker, 2008-09-01 Terrorism and counter terrorism have become key points in political talk and government policy This No Nonsense Guide has been revised and updated to take account of the major changes in global terrorism over the past seven years Jonathan Barker presents a highly accessible history of terrorism that looks at examples from the Middle East

and elsewhere instances of state terrorism and the terrorist fringes of political movements He also delves beneath the surface offering political and moral analysis of the causes and contexts of terrorism the theories that justify and guide terrorist acts and the battle of images that accompanies them      The No-nonsense Guide to Water Maggie Black,2004 Water sustains life without it humans cannot survive for more than a few days And yet this precious fluid is becoming increasingly politicized as the debates about control and ownership of water itself and of the many organizations which govern its use gain force Maggie Black explores the many roles water plays in human life and as the defense of water rights looks set to become an explosive issue provides a clear overview on the vital issues of distribution technology irrigation land use and commodification      **The No-nonsense Guide to the United Nations** Maggie Black,2008 Conveys the complexity of the UN assesses its record and considers options for reform      *The No-nonsense Guide to the Arms Trade* Gideon Burrows,2002 The ending of the Cold War was supposed to increase global security and divert expenditure previously earmarked for arms purchases to more constructive ends Instead the arms trade has flourished Not only conventional arms but also police and surveillance equipment have been provided by Western countries seeking to make a profit from conflict in unstable parts of the world Foreign debt has remained high development has been held back and human rights have been systematically abused all with the connivance of an arms trade prepared to turn a blind eye to the uses to which increasingly sophisticated weaponry is put so long as hefty profits can be reaped This disturbing book names the players in the arms trade and charts the impact that it has had on war human rights and development The financial and trade mechanisms that permit the arms trade to continue are revealed amid sordid tales of bribery and corruption Gideon Burrows concludes his examination by reviewing the ways in which this trade can be controlled or even abolished      **The No-nonsense Guide to Terrorism** Jonathan Barker,2003 Terrorist or freedom fighter Analyzing the causes and contexts of terrorism the world over Barker guides readers through the moral and political theories justifying and guiding terrorist acts      *The No-Nonsense Guide to Fair Trade* David Ransom,2006-10-01 Meeting the people who grow our bananas and cocoa and make our clothes this No Nonsense Guide to Fair Trade tells the human story behind what we consume Examin ing the global contest between free and fair trade David Ransom argues that the key question is not whether trade should be regulated or deregulated but whether it is to be the master or servant of the people And as fair trade products are being turned into brands by large corporations a new contest opens it is no longer just a question of fair versus free but what kind of fair trade      **The No-nonsense Guide to World Food** Wayne Roberts,2008 A world tour of fast food health food junk food school food slow food and even more food It shows how real food has become increasingly hard to find dominated in the West by agri business and supermarkets With a history of world food production and consumption this Guide explains current debate and controversies and introduces the principle of food security fast becoming a global movement to make food provision fair safe and nutritious for all the world s population at all times      The No-Nonsense Guide to Women's Rights Nikki van der

Gaag,2008-11-01 Has the battle for women s rights been won Not when women still make up 70 percent of the world s poor This guide examines the advances that have been made and looks beneath the surface to find out what the reality is for women all around the world It shows how in this post feminist age women s rights are still very much an issue Nikki van der Gaag is a freelance writer editor and evaluator on development issues Prior to this she was editorial director at the Panos Institute and co editor of the New Internationalist magazine     *The No-nonsense Guide to World Poverty* Jeremy Seabrook,2003 At the turn of the new millennium the United Nations determined that world poverty would be halved by 2015 International agencies are all committed to poverty abatement The International Monetary Fund and the World Bank have renamed their structural adjustment policies poverty reduction strategies But can this work No argues Jeremy Seabrook not if we fail to understand the meaning of poverty Drawing on testimonies from around the world as well as on the hard facts he challenges the assumption that wealth overcomes poverty and demonstrates that the opposite of poor is not rich but self reliant Appealing passionately for a shared sense of sufficiency he gives verbal snapshots of people s lives to show how poverty shifts changes and endures in response to the growth of wealth     *We Get Nothing from Fishing* Henrietta Mambo Nyamnjoh,2010 Henrietta Nyamnjoh must be highly commended for her initiative and courage to tackle in depth research into the hazardous and largely unpredictable reality of boat migration with a view to erasing existing misconceptions false and partial explanations and to enhancing our understanding This is an original and innovative piece of work well written and well argued It certainly deserves a wide readership even beyond the normal academic and policy making circles Book Jacket

**The No-nonsense Guide to Indigenous Peoples** Lotte Hughes,2003 Indigenous peoples have long suffered from exoticization Outsiders elevate their beauty remoteness and difference and do not see beyond this to the real problems they face The No Nonsense Guide to Indigenous Peoples looks beyond the exotic images tracing the stories of different indigenous peoples from their first and often fatal contact with explorers and colonizers Much of this history is told here by indigenous people themselves They vividly describe why land and the natural world are so special to them how it feels to be snatched from your family as a child because the government wants to make you white why they are demanding that museums must return the bones of their ancestors how can they retain their traditional culture while moving with the times and what kinds of development are positive This short guide discusses all this and more raising countless issues for debate
