Path of Life George Christopher Scruggs, 2014-02-14 *Path of Life The Way of Wisdom for Christ Followers* looks at wisdom literature from the perspective of a pastor deeply concerned about the condition of contemporary society Western culture in general and American culture in particular has unwisely cut itself off from its deepest spiritual moral and practical roots in the Judeo Christian tradition Overcoming the deep seated incoherence of our society will involve a recovery of sources of moral and practical wisdom that lie at the very roots of human society This book is an attempt to take a look at these roots in a way that is accessible not just to experts but also to laypersons who are willing to work a bit to understand the sources of our current condition and the way forward

Wandering Or Pondering The Path Of Life? Douglas Terrill, 2017-12-20 Our society reveres education Teaching the mechanics of knowledge like math English and science occupies much of the public schools teaching time But life is not about earning all the money you possibly can How do you measure success What is the purpose of life These questions must be pondered before one stops wandering through life and starts walking the path of life which leads to the greatest reward a person can possibly receive the gift of eternal life Matthew 6 19 21 is a directive of the Creator of life pointing us to the path of life we should be walking and working for the treasure that will last for all eternity laying up treasure in heaven For where our treasure is there will be our heart Can you think of a greater reward in heaven after meeting your Savior than to welcome each member of your family into heaven when time on earth ends for each
