Monthly Catalog of United States Government Publications ,2004 *Reporting Nonfinancials* Kaevan Gazdar,2007-03-13 According to research carried out by Ernst Young 35% of all investment decisions are based on nonfinancial attributes A substantial body of literature deals with the management and measurement of nonfinancial assets This book by contrast focuses on best practice in disclosure How do companies present their vital resources in annual quarterly and corporate citizenship sustainability reports and also in other publications and on their web sites Do they provide a coherent consistent and convincing view of resources like management quality brands and intellectual capital And how should they proceed to make stakeholders grasp what makes them a valuable investment a preferred supplier of goods and services or an employer of choice and also a good corporate citizen These are the core questions addressed in *Reporting Nonfinancials* The book presents both best practice in nonfinancial disclosure and a pragmatic framework for action It shows practitioners how to optimize the impact of their intangibles by first analyzing their companies strengths and then improving their disclosure through annual quarterly CSR and other reporting formats It also helps investors and other stakeholder groups evaluate the quality and relevance of information provided by companies Thus it is important for both executives and outsiders

Corporate Level Strategy Olivier Furrer,2016-04-13 The challenges faced by diversified corporations firms that operate in more than one industry or market have changed over the years In this new edition Olivier Furrer helps students of corporate strategy to consider the impact of critical changes in resources businesses and headquarters roles on the firm s ability for establishing and sustaining corporate advantage New to this edition are stimulating pedagogical features and additional material such as a new chapter on the theoretical foundations of multibusiness firms along with a host of new examples from across the world A companion website supplements the book providing PowerPoint slides a test bank of questions and lists of suggested case studies

Airline Microeconomics Tony Webber,2022-07-25 This book presents readers with a technical tool kit to understand the economics of airlines It starts by covering the key language and glossary of the air travel business which is necessary for graduates or first time employees in aviation to understand the content of conversations meetings presentations and internal aviation communications It then breaks down the complexity of the demand side of the air travel business The book then analyses revenue over two distinct time horizons specifically the short and medium runs recognising the fact that airlines operate to a fixed number of seats over a short horizon because of

the way that they schedule services in advance of departure By combining revenue and costs the book then analyses airline profit with a focus on the short run and medium run decision variables that maximise airline profit The remainder of the book analyses various important topics in air transport economics including competition in airline markets key rules regulations and taxes that affect the return on capital in aviation the way that airlines form relationships and the economics of the market for oil and jet fuel among others *Star Tracks* Larry E. Wacholtz,1996 *Star Tracks* offers a general overview of the music industry mixed with a comprehensive specific review of professional opportunities and responsibilities **Colonial Reports, Annual** ,1932 *Strategic Management in Aviation* Thomas C. Lawton,2017-05-15 This valuable volume reprints the most important and influential journal articles and papers on aviation management with an extensive introduction by the editor The volume is designed to improve access to the journal literature for libraries expanding their collections and provide scholars with a convenient and authoritative reference source Tom Lawton selects the best of the management literature in this area from the top journals as well as including harder to find articles in the wider strategic management literature The volume will be essential reading for all scholars and students interested in aviation management issues as well as those working in the industry who want a snapshot of current thinking in the field *Annual Report of the Hydro-Electric Power Commission of the Province of Ontario for the Year Ended ...* Ontario Hydro,1924
