The Memory Of Lost Senses English Edition:

The Memory of Lost Senses Judith Kinghorn, 2014-01-07 Within weeks letters would be burned pages torn Promises would be broken and hearts betrayed But for now the countryside languished golden and fading Cecily Chadwick is idling away the long hot summer of 1911 when a mysterious countess moves into the large deserted country house on the edge of her sleepy English village Rumors abound about the countess s many husbands and lovers her opulent wealth and the tragedies that have marked her life As Cecily gets to know her she becomes fascinated by the remarkable woman riveted by her tales of life on the Continent and of the famous people she once knew But the countess is clearly troubled by her memories and by ruinous secrets that haunt her Staying with the countess is a successful novelist and dear friend who has been summoned to write the countess s memoirs For aspiring writer Cecily the novelist s presence only adds to the intrigue of the house But it is the countess s grandson Jack who draws Cecily further into the tangled web of the countess s past and sweeps her into an uncertain future

The Lost Senses John Kitto, 1852 Paradise Lost and the Making of English Literary Criticism David A. Harper, 2023-12-20 Paradise Lost and the Making of English Literary Criticism identifies the early reception of Paradise Lost as a site of contest over the place of literature in political and religious controversy Milton s earliest readers and critics Dryden Addison Dennis Hume and Bentley confronted a poem and author at odds with the prevailing culture and the revanchist conservatism of the restored monarchy Grappling with the epic required navigating Milton s reputation as a fanatic who had called in print for Charles I s execution inveighed openly against monarchy on the eve of Charles II s return and held heretical views on the trinity baptism and divorce Harper argues that foundational figures in English literary criticism rose to this challenge by innovating new ways of reading producing creative and subversive rewritings of Paradise Lost articulating new theories of the sublime explaining the poem in the first substantial body of annotations for an English vernacular text and by pioneering early forms of textual criticism and editing
