Elliston, 1999-09-15 The seventh installment in the EMS series provides presentations originally given at meetings held in November 1998 Topics include the biblical and missiological foundations for training evangelical pastors and missionaries contextualization of curriculum Christian higher education and case studies in both postmodern settings as well as traditional ones THE 1946 PROJECT Edward D. Andrews, 2021-10-28 Did one mistranslated word in 1946 change the church forever

The film The 1946 Project claims that the word homosexual was wrongly inserted into the Bible in the Revised Standard Version and that this single mistake has fueled decades of misunderstanding mistreatment and oppression But is that true Or is it a clever attempt to rewrite the gospel to fit the spirit of the age This book exposes the errors of The 1946 Project with Scripture history and sound scholarship From Genesis to Revelation the Bible speaks with one voice about God s design for sex marriage and holiness It is not one English word that defines the issue but the inspired Word of God itself Part One dismantles the film s claims showing why the mistranslation myth collapses under the weight of biblical evidence and the Christian consensus across centuries Part Two turns directly to today s youth ages 12 25 offering biblical guidance courage and clarity in a world of confusion about identity gender and truth This is not a book of hate but of hope It calls every reader to take God s Word seriously to stand firm in a culture of compromise and to believe the good news that in Christ sinners of every kind can be washed sanctified and justified 1 Corinthians 6 11 Truth matters Eternity matters The gospel cannot be rewritten

The Earliest Christian Mission to "all Nations" in the Light of Matthew's Gospel James LaGrand, 1999 This original work of scholarship clarifies how in light of Matthew s Gospel the first Christians understood and claimed Israel s messianic mission to people of every ethnic group immediately after Jesus death and resurrection BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Seeking the Lost, Keeping Them, Making Them Disciples Dr. Benoit Petit-Homme, 2018-08-27 Seeking the Lost Keeping Them Making Them Disciples By Dr Benoit Petit Homme God bless Dr Benoit Petit Homme for all the work he has done in putting this book together I believe that any church or leader who will follow these biblically grounded principles will see beautiful results in changed lives for the kingdom Teresa L Reeve PhD Associate Dean Seventh day Adventist Theological Seminary Associate Professor of New Testament Contexts Andrews University United States of America Dr Benoit Petit Homme s contribution to the discipleship crisis is a compelling re examination of scripture church history and 21st century pastoral experience Practical and convincing his straightforward style brings real solutions to the evangelistic Achilles heels of attrition He reminds us of what has been forgotten and calls us back to our relational roots Pr Ron Kelly Senior Pastor Village Seventh day Adventist Church Berrien Springs Michigan United States of America Seeking the Lost Keeping Them Making Them Disciples by Dr Benoit Petit Homme is a handy Christ based discipleship resource that will contribute to the mission of training and equipping church ministry leaders in the evangelistic work of reaping retaining and nurturing new believing Christians This is a must read for church officers pastors and ministry directors in the Christian church Ron C Smith PhD D Min President Southern Union Conference of SDA Every year many thousands of people hear the Good News of Jesus Christ and choose to be baptized and join a church community Unfortunately it is also true that every year many new converts leave a church relatively shortly after joining The specific reasons that each person leaves the church could fill a book by themselves but

they all boil down to one thing a lack of focus on the part of the church community on turning converts into disciples of our Savior A disciple of Christ does more than attend church services A disciple is an active member of the church community A disciple is a witness to others A disciple seeks to grow the church by seeking to lead everyone they meet to Christ Dr Benoit Petit Homme is a committed disciple of Christ and after extensive study of exactly why new converts leave the church he has developed a process by which any church can make disciples All it takes is a little extra work a bit of encouragement and an unwavering faith in the Lord

A Just Mission Mekdes Haddis, 2022-09-27 Western mission often centers the senders without as much understanding of the receivers experiences Weaving together theology and stories from diaspora groups Ethiopian American mission practitioner Mekdes Haddis provides a postcolonial critique of Western mission upending the white savior complex and arguing for a globally just approach

Counter-Narrative and Ambivalent Discourse Toward Christianity in African Postcolonial Literature Tatang Iskarna, 2023-05-02 The book *Counter narrative and Ambivalent Discourse towards Christianity in African Postcolonial Literature* explores the encounters and conflicts between Christianity and African traditional culture represented in three African postcolonial literature Achebe's *Arrow of God* Thiong'o's *The River Between* and Ngũgĩ's *Song of Lawino* Using postcolonial perspective this book reveals a counter narrative discourse against the arrival of Christianity in the three African postcolonial literary works and highlights the ambivalent nature of this resistance as the authors cannot escape the trap of conformity to Christianity and Western hegemony Christianity as a missionary and culturally destructive religion in postcolonial Africa is considered complex religion that can have both positive and negative effects on traditional African societies While it can be a ideological tool of colonialism that destabilizes the fabric of local life it also provides solutions to some local problems This new religious belief disrupts the social structure and cultural traditional in the context of African postcolonial society

From the Inside Out Ryan Kuja, 2018-05-22 For the sake of the world we question For the sake of the gospel we examine For the sake of the dignity of the image bearers we serve as well as ourselves we inquire The evolution that has taken place in the world of mission over the last twenty five years has left many Christians asking brutally honest questions

about what we do and why we do it Are we doing more damage than good What does it look like to truly love and serve the marginalized in an authentic and effective way What actually is the gospel and is it truly good news In this groundbreaking book Ryan Kuja vividly examines the world of Christian mission as few have seen it With a beautiful balance of storytelling and theological reflection birthed from his own painful and powerful experiences on and off the field from rural villages in South Sudan to major cities across Asia Africa and Latin America Ryan guides us into global mission s past and present revealing where the light and hope lie helping recover a missional future that will usher us into a new era This is mission reimagined for a world recreated from the inside out *Indiana Conference 2012 Journal* 2012 The Indiana Conerence of The United Methodist Church.,2012-09-28 This book is the official Journal of the Indiana Conference Proceedings of the Fourth Annual Session held in Indianapolis Ind June 7 9 2012 *Engaging Millennials in Missions* Anell James,2024-08-13 The millennial members of the church have shown a lack of interest in participating in the local church s mission ministry This lack of interest has caused the missions department and the church concern because fulfilling the mission of God is the mission of the church The mission statement of the church is the focus of the ministry programs Suppose the mission department creates a missions training program designed to focus on a technological learning style in which millennials thrive Could it attract involve and engage millennials in future mission trips while educating them It is this question that the research seeks to answer Arriving at the answer is achieved by posing questions to millennials at the church via interviews and a focus group and searching books for authorial insight into their characteristics This research will determine if conflicts within the church influenced the millennial s decision to participate The findings from this research will be instrumental in informing and assisting churches in identifying potential problems and solutions relative to a generational group within the church

Life After Church Brian Sanders,2009-09-20 Life without church It s getting easier to imagine And maybe you already left A leaver then Committed to Jesus not an institution Perhaps you ve left your church in spirit remaining in the pew Outwardly silent Secretly bored In either case Brian Sanders has a word for you Out of his own experience as a leaver Brian distills the complex problem into two viable options Stay Remain in your church with the blessing of Christ and in the power of his great vision for the church to come Take the path of revolutionary leaving Move purposefully seeking the kingdom of God that is beyond institutions Whether Sunday mornings find you alone in a one bedroom apartment or isolated in a church of thousands Brian reminds you to keep listening for God s call Reform the church that is Christ s Be it from the inside out or the outside in *My Life, His Mission* Thomas Nelson,2006-07-30 This six week study with real stories from students inspires students to look beyond themselves and see a world that desperately needs Christ Great preparation for a mission trip

The Message of Mission Howard Pesket,Vinoth Ramachandra,2024-09-19 The root of the word mission means sending All Christian mission has its fountainhead in the God revealed in Scripture who sent his Son for us sends his Spirit to us and summons all people to himself The privilege and responsibility of his church sent into all the world is to testify by his

words and deeds to Jesus Christ God's unique son crucified risen and ascended The East West partnership in missiological exploration expounds a variety of Old and New Testament texts and examines a wide range of issues The authors desire is that Jesus Christ might be glorified more and more in the church and in the world their eager expectation is that one day the whole creation will find its consummation in him and God will be all and in all Together in One Mission Arto Hamalainen, Grant McClung, 2012-09-27 *African Biblical Studies* Andrew M. Mbuvi, 2022-09-22 Andrew M Mbuvi makes the case for African biblical studies as a vibrant and important emerging distinct discipline while also using its postcolonial optic to critique biblical studies for its continued underlying racially and imperialistically motivated tendencies Mbuvi argues that the emergence of biblical studies as a discipline in the West coincides with and benefits from the establishment of the colonial project that included African colonization At the heart of the colonial project was the Bible not only as ferried by missionaries who often espoused racialized views to convert heathens in the distant lands but as the text used in the racialized justification of the colonial violence Interpretive approaches established within these racist and colonialist matrices continue to dominate the discipline perpetuating racialized interpretive methodology and frameworks On these grounds Mbuvi makes the case that the continued marginalization of non western approaches is a reflection of the continuing colonialist structure and presuppositions in the discipline of biblical studies African Biblical Studies not only exposes and critiques these persistent oppressive and subjugating tendencies but showcases how African postcolonial methodologies and studies that prioritize readings from the perspective of the marginalized and oppressed offer an alternative framework for the discipline These readings while destabilizing and undermining the predominantly white Euro American approaches and their ingrained prejudices and problematizing the biblical text itself posit the need for biblical interpretation that is anti colonial and anti racist
