The Last Missionary is a bicycle adventure story set in remote districts in eastern Democratic Republic of the Congo Bob Walters travels with a team of Congolese colleagues discovering the state of the villages run over by the Pan African war that devastated the region s people through the terror of rape and the killing of millions Along the way Bob offers the reader a number of short tutorials and reflections on missiology the study of mission systems He ponders patronage and cargo cults and asks the question Is Jesus the answer But this is not an answer book it is a book in search of better questions The Last Missionary is a challenge to both evangelicals and progressives in the church missionaries and mission volunteers and even non religious aid workers

The Ancestor's Tale Richard Dawkins, Yan Wong, 2010-12-16 One of the most brilliant scientists of our age gives us his definitive work a synthesis of his comprehensive vision of life THE ANCESTOR S TALE is a pilgrimage back through time a journey on which we meet up with fellow pilgrims as we and they converge on our common ancestors Chimpanzees join us at about 6 million years in the past orang utans at 14 million years as we stride on together a growing band The journey provides the setting for a collection of some 40 tales Each explores an aspect of evolutionary biology through the stories of characters met along the way The tales are interspersed with prologues detailing the journey route maps showing joining lineages and life like reconstructions of our common ancestors THE ANCESTOR S TALE represents a pilgrimage on an unimaginable scale our goal is four billion years away and the number of pilgrims joining us grows vast ultimately encompassing all living creatures At the end of the journey lies something remarkable in its simplicity and transformative power the first humble replicating molecules **Adult Catalog: Subjects** Los Angeles County Public Library, 1970

This Is My Story Paul Beasley-Murray, 2018-06-28 This Is My Story is an unusually fascinating account of one man s life It is a story of the making of a man initially written with grandchildren in mind Who was my grandfather What kind of person was he At another level it is a story of a growing faith telling how amidst the ups and down of life he has remained a soft hearted pilgrim At yet another level it is a story of the making of a leader who never stopped learning how to lead care preach and engage in effective mission Perhaps even more significantly it is also a story of a ministry in which the author never lost his sense of delight and privilege in his calling to be a pastor Finally as one who has at time been at the center of controversy it is an opportunity to tell my side of the story This is a book for pastors and for any Christian who wants the inside story of the pains and triumphs of a Christian leader

Pre-Code Hollywood Thomas Doherty, 1999-08-27 Pre Code Hollywood explores the fascinating period in American motion picture history from 1930 to 1934 when the commandments of the Production Code Administration were violated with impunity in a series of wildly unconventional films a time when censorship was lax and Hollywood made the most of it Though more unbridled salacious subversive and just plain bizarre

than what came afterwards the films of the period do indeed have the look of Hollywood cinema but the moral terrain is so off kilter that they seem imported from a parallel universe In a sense Doherty avers the films of pre Code Hollywood are from another universe They lay bare what Hollywood under the Production Code attempted to cover up and push offscreen sexual liaisons unsanctified by the laws of God or man marriage ridiculed and redefined ethnic lines crossed and racial barriers ignored economic injustice exposed and political corruption assumed vice unpunished and virtue unrewarded in sum pretty much the raw stuff of American culture unvarnished and unveiled No other book has yet sought to interpret the films and film related meanings of the pre Code era what defined the period why it ended and what its relationship was to the country as a whole during the darkest years of the Great Depression and afterward *The Congregationalist* ,1922 The Publishers' Circular and Booksellers' Record ,1922 **The Huxleys** Alison Bashford,2022-11-16 A New Yorker and Economist Best Book of the Year Two hundred years of modern science and culture told through one family history This momentous biography tells the story of the Huxleys the Victorian natural historian T H Huxley Darwin s Bulldog and his grandson the scientist conservationist and zoologist Julian Huxley Between them they communicated to the world the great modern story of the theory of evolution by natural selection In The Huxleys celebrated historian Alison Bashford writes seamlessly about these omnivorous intellects together almost as if they were a single man whose long vital life bookended the colossal shifts in world history from the age of sail to the Space Age and from colonial wars to world wars to the cold war The Huxleys specialty was evolution in all its forms at the grandest level of species deep time the Earth and at the most personal and intimate They illuminated the problems and wonders of the modern world and they fundamentally shaped how we see ourselves as individuals and as a species But perhaps their greatest subject was themselves Bashford s engaging brilliantly ambitious book interweaves the Huxleys momentous public achievements with their private triumphs and tragedies The result is the history of a family but also a history of humanity grappling with its place in nature This book shows how much we owe for better or worse to the unceasing curiosity self absorption and enthusiasm of a small strange group of men and women *The Interior* ,1905 Issues for Jan 12 1888 Jan 1889 include monthly Magazine supplement *British Books* ,1922 **Publishers' Circular** ,1922 **The Congregationalist and Advance** ,1918 *Saturday Review of Literature* ,1925 Amazing Stories Quarterly ,1931 **The American Cyclopaedia** George Ripley,Charles Anderson Dana,1883 **History Today** ,1995 *The Alliance Weekly* ,1954
