Frankel,2009-10-31 With the same frank advice and empowering information that made *Nice Girls Don t Get the Comer Office* a New York Times bestseller Lois Frankel tackles the 75 financial mistakes that keep women from having the wealth they deserve If you have outstanding balances on your credit cards don t have assets in your own name are saving instead of investing then chances are you re not rich and not living the life you want Without your awareness behaviors learned as a girl are preventing you from becoming a woman who is financially independent and free to follow her dreams Lois Frankel isolates the messages about money given to little girls that little boys

never hear Then she helps you discover the financial thinking that is keeping you stuck in old patterns dependent relationships and jobs where you earn less than you deserve Once you get to the root of the problem Frankel helps you solve it with fabulous results Her coaching tips help you take control of your finances and make more money than you ever thought possible Do you make these nice girl mistakes Mistake 4 Not playing to win Being polite quiet and fair to a fault is playing the financial game like a girl Mistake 10 Choosing to remain financially illiterate Knowledge is power Learn to manage your major purchases investments and banking Mistake 20 Spending as an emotional crutch Understand your emotions don't make purchases just to lift your spirits Mistake 45 Saving instead of investing Fear can keep your funds in low interest accounts Get educated about investing Get wealthy Frankel gives you the financial savvy to change negative behaviors make smart money choices and embrace the life you want sooner than you think The Good No Belinda Mackie,2022-09-01 The Good NO is for anyone who finds it hard to say NO to the requests demands and expectations of others This book invites the reader into the world of NO and on a journey of how and why saying NO is a good idea It questions the culture of yes saying inviting you to explore and experiment with alternate ways of interpreting and responding to tricky situations Nice Girl's Don't Get Mr. Right, Smart girls do Taire Stephen,2025-02-26 Ever wondered why that really nice well behaved girl can't seem to lock down a man for more than a few dates while other women seem to just have their pick of men Ever wondered what it really takes to get and keep a man interested in you long term For starters it takes more than being nice to get a man hooked on you Read this book to find out why nice girls tend to lose out in love and how you can reverse this self sabotaging trend in your favor No More Nice Maya Rhodes,2025-06-27 When Anger Becomes Your Greatest Ally Discover a transformative perspective on a powerful often misunderstood emotion This compelling guide challenges the long held belief that women must always be nice revealing how embracing anger can ignite profound personal and social change Through insightful storytelling and practical tools it reframes female anger not as a flaw but as a vital force for breaking free from limiting roles and expectations Step inside the pages that excavate the roots of the nice girl stereotype exposing cultural myths and the silent struggles women face daily Learn how to identify what triggers your anger and how to harness it healthily setting firm boundaries reclaiming your voice and speaking your truth without guilt From understanding the biology behind your emotions to navigating workplace challenges this book offers a bold blueprint for emotional resilience If you've ever felt your fury was something to hide or mute here's the encouragement and strategy to turn it into your fiercest tool It dives into the intersection of anger and feminism highlighting stories of women who transformed rage into activism creativity and healing Whether confronting toxic relationships or advocating for justice you'll find actionable advice to channel emotions into radical self care and organized movements The journey toward self acceptance and empowerment starts with one choice to stop silencing yourself This eye opening book equips you with the knowledge and courage to embrace anger as a catalyst for growth community and lasting impact It's time to shatter old narratives and pave the way for a future where

female rage is honored bold fierce and unapologetically real **Girls Gone Mild** Wendy Shalit, 2007-06-26 At twenty three Wendy Shalit punctured conventional wisdom with *A Return to Modesty* arguing that our hope for true lasting love is not a problem to be fixed but rather a wonderful instinct that forms the basis for civilization Now in *Girls Gone Mild* the brilliantly outspoken author investigates an emerging new movement Despite nearly naked teen models posing seductively to sell us practically everything and the proliferation of homemade sex tapes as star making vehicles a youth led rebellion is already changing course In Seattle and Pittsburgh teenage girls protest against companies that sell sleazy clothing Online a nineteen year old describes her struggles with her mother who she feels is pressuring her to lose her virginity In a small town outside Philadelphia an eleventh grade girl upset over a dirty book read aloud in English class takes her case to the school board These are not your mother's rebels In an age where pornography is mainstream teen clothing seems stripper patented and experts recommend that we learn to be emotionally detached about sex a key and callously targeted audience girls is fed up Drawing on numerous studies and interviews Shalit makes the case that today's virulent bad girl mindset most truly oppresses young women Nowadays as even the youngest teenage girls feel the pressure to become cold sex sirens put their bodies on public display and suppress their feelings in order to feel accepted and temporarily loved many young women are realizing that friends with benefits are often anything but And as these girls speak for themselves we see that what is expected of them turns out to be very different from what is in their own hearts Shalit reveals how the media one's peers and even parents can undermine girls' quests for their authentic selves details the problems of sex without intimacy and explains what it means to break from the herd mentality and choose integrity over popularity Written with sincerity and upbeat humor *Girls Gone Mild* rescues the good girl from the realm of mythology and old manners guides to show that today's version is the real rebel She is not people pleasing or repressed she is simply reclaiming her individuality These empowering stories are sure to be an inspiration to teenagers and parents alike *The Price of Nice* Angelina E. Castagno, 2019-10-22 How being nice in school and university settings works to reinforce racialized gendered and disability related inequities in education and society Being nice is difficult to critique Niceness is almost always portrayed and felt as a positive quality In schools nice teachers are popular among students parents and administrators And yet Niceness as a distinct set of practices and discourses is not actually good for individuals institutions or communities because of the way it maintains and reinforces educational inequity In *The Price of Nice* an interdisciplinary group of scholars explores Niceness in educational spaces from elementary schools through higher education to highlight how this seemingly benign quality reinforces structural inequalities Grounded in data personal narrative and theory the chapters show that Niceness as a raced gendered and classed set of behaviors functions both as a shield to save educators from having to do the hard work of dismantling inequity and as a disciplining agent for those who attempt or even consider disrupting structures and ideologies of dominance Contributors Sarah Abuwandi Arizona State U Colin Ben U of Utah Nicholas Bustamante Arizona State U Aidan Amanda J Charles
