Medical Malpractice and Compensation in Global Perspective Ken Oliphant,Richard W. Wright,2013-10-29 The papers in this collection are drawn from a

symposium held in Vienna in December 2010 Organised by the Institute for European Tort Law and the Chicago Kent Law Review in collaboration with the European Centre of Tort and Insurance Law the conference drew together legal experts from 14 national or regional systems across six continents Medical malpractice and compensation for medical injuries are issues which regularly create tension and innovation in national legal systems but the analysis of these areas is often limited to national audiences This study examines the issues in a uniquely global context demonstrating the breadth of approaches currently taken around the world and revealing key areas of tension and the likely direction of future developments Wherever possible the analysis is supported by reference to empirical data The 14 legal systems covered in the collection are Austria Brazil Canada China France Germany Italy Japan New Zealand Poland Scandinavia South Africa the United Kingdom and the United States A general comparative introduction completes the collection
