The Ones Who Got Away Bill Yenne, 2024-01-04 A remarkable collection of accounts of intrepid American aircrew shot down over enemy lines during World War II and how they got away To be an airman in the Eighth Air Force flying over the war-torn skies of Europe required skill tenacity and luck Those who were shot down and evaded capture needed all of that and more if they were to make it back to friendly lines These are their stories Each is compiled from the original intelligence debrief written by the pilots or aircrew themselves Bill Yenne details how a spider web of escape routes sprang up created by the local Resistance Downed airmen were clothed given false papers and hidden so they could be smuggled back to England These efforts were then supplemented by Allied intelligence agents But the risks remained the same Capture could mean death Their accounts are sometimes funny often heartbreaking P 47 pilot Joel McPherson feigned appendicitis and was able to escape from the local German military hospital after he had his appendix removed He spent weeks operating as a getaway driver for a Maquis bank robber gang before making it into neutral Spain Bomber crewmen Fred Hartung and Norman Therrien found refuge at a French chateau but later nearly froze to death crossing the icy Pyrenees with the Gestapo on their

trail The accounts of these men and others from the Mighty Eighth make this a story of defiance foolhardiness and bravery against the odds **The One Who Got Away** Karen Hussey,2022-04-05 Annamarie thought her life was improving until one fateful day she had a little too much to drink and her life took an immediate downward turn She woke to find herself a prisoner in a much larger game Will she get away or become yet another of his casualties He works hard to make sure he remains anonymous with careful observation meticulous planning and calculation Hunting people has been his pastime but when a situation sparks a memory of his past he chooses for the first time to let someone in Will this decision be his undoing
