

The Outsiders

by S. E. Hinton

Please answer the following questions on a separate sheet of paper.

Chapter 1

1. Who are the Socs? Who are the Greasers?

Socs - rich, madras, mustangs, East side

Greasers - poor, t-shirts and jeans, West side

2. How is Pony's relationship with Darry different from his relationship with Soda?

Darry is more like a father-figure to Pony. He loves him, but they argue a lot and he is hard on him. Soda and Pony are friends. He really understands Pony and they have a lot in common.

3. Why is the "gang" so important to Johnny?

He relies on them like family, because his father abuses him and his mother ignores him.

4. Do you think Darry loves Pony? Why does he treat Pony the way he does?

Yes, he does love Pony. He is hard on Pony because he doesn't want him to get in trouble because then the boys would be split up. He wants Pony to have a good life.

5. Explain what Pony means when he says, "I lie to myself all the time". Why do you think people lie to themselves?

He tries to convince himself something is truth. For example, he tries to convince himself that he doesn't care that Darry doesn't love him, but he does care whether or not Darry loves him.

Chapter 2

1. Who are Cherry and Marcia?

Two Socy girls Pony and Johnny picked up at the drive-in.

2. Why is it strange that Cherry and Pony get along so well?

Socs and Greasers shouldn't get along, but Cherry and Pony have a lot in common - sunsets, dreamers, school.

3. According to Two-Bit, what is a "fair fight"? Why don't Socs fight fair?

States for its security but it must use its own resources to cope with Beijing's constant intimidation and pressure. How Taiwan responds to the internal and external challenges it faces and what the United States and other outside powers do to help will determine whether it is able to stand its ground against China's ambitions. The book explores the broad range of issues and policy choices Taiwan confronts and offers suggestions both for what Taiwan can do to help itself and what the United States should do to improve Taiwan's chances of success.

Enduring Empire Katrina Quisumbing King, 2025-07-08 In 1898 the United States became a formal overseas empire and claimed sovereignty over the Philippine islands justifying its rule in explicitly racial terms. Less than fifty years later in 1946 Philippine independence was recognized by the United States even as it continued to exert influence over the domestic and foreign affairs of the newly decolonized Republic. Despite some differences U.S. control remained racial and imperial. *Enduring Empire* shows how U.S. federal state actors translated their ideas of race into state structures. Through innovating constitutional law, bureaucratic administration and legislation state actors built a durable and flexible system of racial imperial rule that not only lasted beyond the period of formal empire but continues to this day. Katrina Quisumbing King traces debates among U.S. presidents, federal legislators, administrators and justices about what kind of state the United States should be, the place of nonwhite people in the polity and the best way to maintain U.S. white hegemony. In charting how state actors' positions, some nativist, isolationist and protectionist and others expansionist, interventionist and imperialist evolved, Quisumbing King identifies key moments when they cemented racial ideas into law and reshaped the terms of U.S. racial imperial formation.
