Hensley, Philip Steer,2018-12-04 Ecological Form brings together leading voices in nineteenth century ecocriticism to suture the lingering divide between postcolonial and ecocritical approaches Together these essays show how Victorian thinkers used aesthetic form to engage problems of system interconnection and dispossession that remain our own The authors reconsider Victorian literary structures in light of environmental catastrophe coordinate natural questions with sociopolitical ones and underscore the category of form as a means for generating environmental and therefore political knowledge Moving from the elegy and the industrial novel to the utopian romance the scientific treatise and beyond Ecological Form demonstrates how nineteenth century thinkers conceptualized the circuits of extraction and violence linking Britain to its global network Yet the book's most pressing argument is that this past thought can be a resource for reimagining the present

Benchere in Wonderland Steven Gillis,2015-08-17 What is the role of art in the world And what is the responsibility of the artist After the death of his wife Michael Benchere a well respected sculptor and once famous architect looks for ways to redefine the meaning of his life through the purpose of his art Determined to create a sculpture that celebrates nothing more than the pure beauty of art Benchere heads into the Kalahari desert where he is followed quite unexpectedly by a ragtag mix of people Over the course of his months in the desert Benchere must address not only the relationship of his art to the world at large but his own relationship to the world and how our responsibilities our loves and dreams don t ever fade in time but in effect become evermore defined

Criticism, Crisis, and Contemporary Narrative Paul Crosthwaite,2011-01-05 The etymological affinity between criticism and crisis has never been more resonant than it is today when social life is increasingly understood as defined by a succession of overlapping global crises financial and economic crises environmental crises geopolitical crises terrorist crises public health crises But what is the role of literary and cultural criticism in conceptualizing this atmosphere of perpetual crisis If as Paul de Man maintained criticism necessarily exists in a state of crisis in what ways is this condition intensified at a time when the social formations within which criticism operates and the cultural artefacts that it takes as its objects are themselves pervaded by actual and imagined states of emergency This book the first sustained response to these questions demonstrates the capacity of critical thought working in dialogue with key

narrative texts to provide penetrating insights into a contemporary landscape of global manufactured risk Written by an international team of specialist scholars the essays in the collection draw on a wide variety of contemporary theoretical fictional and cinematic sources ranging from Giorgio Agamben Jacques Derrida and Fredric Jameson to Cormac McCarthy Ian McEwan and Lauren Beukes to Ghost and the James Bond and National Treasure series Appearing in the midst of a phase of extraordinary turbulence in the fabric of our interconnected and interdependent world the book makes a landmark intervention in debates concerning the cultural ramifications of globalization

Shakespeare's Face Stephanie Nolen, 2011-04-13 On May 11 2001 Globe and Mail reporter Stephanie Nolen announced a stunning discovery to the world an attractive portrait held by an Ontario family for twelve generations which may well be the only known portrait of Shakespeare painted during his lifetime Shakespeare's Face is the biography of a portrait a literary mystery story and the furious debate that has ensued since its discovery A slip of paper affixed to the back proclaims Shakespere This likeness taken 1603 Age at that time 39 ys But is it really Shakespeare who peers at us from the small oil on wood painting The twinkling eyes reddish hair and green jacket are not in keeping with the duller traditional images of the bard But they are more suggestive of the humorous and humane man who wrote the greatest plays in the English language Shakespeare's Face tells the riveting story of how the painting came to reside in the home of a retired engineer in a mid sized Ontario town The painting is reputed to be by John Sanders of Worcester England As a retirement project the engineer whose grandmother kept the family treasure under her bed embarked on authenticating the portrait the forensic analyses that followed have proven it without doubt to the period In a remarkable publishing coup Knopf Canada has gathered around Stephanie Nolen's story a group of the world's leading Shakespeare scholars and art and cultural historians to delve into one of the most fascinating literary mysteries of our times Is this the face of genius Excerpt from Chapter 1 of Shakespeare's Face by Stephanie Nolen By the late afternoon I was beginning to go a little cross eyed I had examined countless documents and read the test results from the painting's painstaking forensic analysis I now had everything I needed to write my story except for one crucial item Is he here I asked almost in a whisper The owner laid the package carefully on the cluttered table He gently pulled back the kraft paper wrapping underneath which was a layer of bubble wrap Then he peeled back this second layer to reveal his treasure I was caught off guard by how small the portrait was and how vivid The colours in the paint seemed too rich to be 400 years old Except for the hairline cracks in the varnish the face could have been painted yesterday And there was nothing austere or haughty about it nothing of the great man being painted for posterity It was a rogue's face a charmer's face that looked back at me with a tolerant mischievous slightly world weary air It was painted on two pieces of solid board so expertly joined that the seam was barely visible A date Ano 1603 was painted in small red letters in the top right hand corner The right side had been nibbled by woodworms I stood and gazed quelling an instinctive urge to pick the portrait up and hold it in my hands And as my professional skepticism crumpled for a moment I found myself wanting desperately to

believe that this was indeed Shakespeare's face Media Relations and the Modern First Lady Lisa M. Burns, 2020-02-06
