Secrets Exposed Lisa Renee Jones, 2014-06-14 Her enemy is her passion, her passion is her enemy. Lindsey Paxton was once the number one defense attorney in New York. She fought for those who were innocent but charged. Her instincts were her lifeline, never failing her as they guided her in her choices of who to defend. Or so she thought. Until she won a case she would forever wish to have lost. Her client, an accused rapist, kills and rapes a woman only a day after being set free. Destroyed by her role in the woman's death, Lindsey blames her father's controlling ways for what she has become and runs from her career and life. Years later, the past becomes the present. Her father has cancer and Lindsey is forced to leave her career with the Washington branch of the FBI. She finds herself facing the responsibility of running her father's law firm with the reluctant help of hotshot attorney Mark Reeves, a man who sparks her temper while also managing to tempt her heart while setting her body on fire. With his help, she finds herself fighting the emotional battles of the past, tempted to trust both him and her instincts. Now faced with a case inherited from her father so similar to her career ending one, she now must decide if her instincts will lead her down the path to saving an innocent man or setting free another killer. But while she fights her own battles, someone watches, wanting from the past what he had failed to get the first time. Lindsey.

He Is Jensen Part One Lisa Renee Jones, 2024-11-25 He loved only one, but he was never what she needed, never the right man for her. The best thing he ever did was walk away from Layla before he destroyed her life. Proven over and over again, most recently when he ended up tricked by his own government into taking an immunization that turned him into something not quite human, a super soldier, a GTECH. But as a threat develops that could destroy the world, he believes one beautiful, talented scientist might be able to help them find much needed answers. That woman is Layla. The problem is that the enemy knows this too and he must get to her before they do. And once he finds her, will she hate him too much to accept his help and to offer hers? Because what neither of them can know is that they might just mean life or death to each other.
