The Meaning Of Revelation:

The Meaning of Revelation Helmut Richard Niebuhr, 2006-02-01 This reissue of a 20th century classic emphasizes an understanding of God's revelation that takes seriously both the Bible itself and modern ideas about the nature of history. Includes a new Foreword by Ottati which sets Niebuhr's work in the context of his other writings and explores the significance of this book.

Behold the Lamb James R. Gordon, 2007-10 If your Bible is open to the Book of Revelation you need this companion book open at its side. In times of discouragement and depression the average person likely wouldn't automatically turn to the Book of Revelation as a source of comfort and strength. Yet that's exactly what author James R. Gordon in *Behold the Lamb*. The Meaning of Revelation contends readers are to do. Gordon makes the last book of the Bible seem friendly and unthreatening as he encourages readers to keep their focus on Christ and the glory they can anticipate when someday face to face they are in His majestic presence. This introductory guide or survey of Revelation appeals to a lay reader as well as yields excellent preaching points or outlines for a clergy member. Without bogging down in millennial eschatology Gordon urges readers to live with eternity in view instead of being controlled by the present. He says Revelation urgently steers readers toward thoughts such as Am I really trusting Christ for my salvation or am I just playing a game? Can I truly say my faith in Christ is genuine and real? Am I honestly looking forward to the time when God will make everything new? Gordon reminds believers that one day all believers will have the Apostle John's thrilling experience of hearing every creature in heaven and on earth singing praise and honor and glory and power for ever and ever.

The Book of Revelation Thomas Nelson, 2010-01-31 The Book of Revelation is God's message to all who are concerned about the future. No Bible guide makes Revelation more understandable than *The Smart Guide to the Bible: The Book of Revelation*. You'll grasp the meaning of each verse; you'll understand every important symbol; and you'll get the big picture of all that God has promised for those who believe in Him. *The Smart Guide to the Bible* is a series of simplified commentaries designed to uncomplicate God's word for everyday Bible readers. Every page contains handy features or learning aids like these: Cross references to other Scriptures; Brief commentaries from experts; Points to ponder; The big picture of how passages fit with the entire Bible; Practical tips for applying biblical truths to life; Simple definitions of key words and concepts; Interesting maps, charts, and illustrations; Wrap ups of each biblical passage; Study questions. Whether you're new to the Bible, a long-time student of Scripture, or somewhere in between, you'll appreciate the many ways *The Smart Guide to the Bible: The Book of Revelation* goes far beyond your typical Bible study tool. The practical, relevant helps on each page lead you to get the most out of God's word.

Wrath and Glory, 3rd Edition David Reagan, 2021-05-14 Many Christians are very intimidated by the book of Revelation. They are

convinced that it contains nothing but bad news They are even further daunted by the great variety of bizarre interpretations of the book In this book Dr David Reagan explains that Revelation contains only good news for those who have received Jesus as their Lord and Savior Dr Reagan proves that any Christian can understand the book of Revelation if they are willing to accept its plain sense meaning As the Lord begins to open your understanding you will be thrilled by the promises of God that it contains for believers You will find yourself earnestly yearning for the Lord s soon return as never before This book is written for all denominations and ages It dispels the myths about Revelation showing that the messages of Revelation are desperately needed by the 21st Century Church which is apostasized from within and persecuted from without The Meaning and Message of the Book of Revelation Edward Allison McDowell,1951 *The Meaning of Revelation in Its Relation to Paul's Gospel as Seen in Galatians 1:11-12* Frank Zedick,1958 Rethinking the Meaning of Revelation Clifford Ross Johnson,1942 **The Excellence of Revealed Religion** C. G. Challenger,2013-10-10 Originally published in 1928 this book examines the growth and decay of the view of Christianity as a revealed religion as opposed to a religion of nature and the development of the concept of revelation Challenger demonstrates how Christian thinkers over time conceived Christianity s relationship to prophecy and philosophy and the various syntheses between faith and reason This book will be of value to anyone with an interest in the history of Christianity and Christian philosophy *Radical Revelation* Balázs M. Mezei,2017-11-30 This volume offers a practical and innovative interpretation of divine revelation from a philosophical theological perspective Bal zs M Mezei outlines the most important presuppositions of our notion of divine revelation in a historic and semantic setting as well as elaborating upon the methodology of model analysis He then introduces and analyses the notion of self revelation as the most important modern understanding of divine revelation and presents the notion of apocalyptic personhood as a corollary of radical personhood which is further developed into apocalyptic phenomenology Mezei further examines the remarkable development of some of the most important notions in the history of Christianity along with the homogenous infrastructure of these notions in the very essence of the religion the doctrine of Trinity Covering aspects of revelation from semantics to historical and cognitive origins and engaging with a wide variety of texts including Augustine Thomas Aquinas and Joseph Ratzinger Mezei makes a strong and clear statement when explaining what the radical revelation is how it can be understood and its overall importance *The Harvard Theological Review* ,1912 **Tyndale Bible Dictionary** Walter A. Elwell,Philip W. Comfort,2024-10-08 The Tyndale Bible Dictionary features the work of 139 Bible scholars in more than 1 000 informative in depth articles Thousands of cross references enable users to find additional information and details about other topics that are most important to them With hundreds of pictures maps and illustrations and the very best evangelical scholarship on the Bible this comprehensive single volume Bible dictionary is the principal book in the Tyndale Reference Library and will be an important addition to anyone s Bible reference collection The Book of Revelation G. K. Beale,2013-08-07 This monumental commentary on the book of Revelation originally published in 1999 has

been highly acclaimed by scholars pastors students and others seriously interested in interpreting the Apocalypse for the benefit of the church Too often Revelation is viewed as a book only about the future As G K Beale shows however Revelation is not merely a futurology but a book about how the church should live for the glory of God throughout the ages including our own Engaging important questions concerning the interpretation of Revelation in scholarship today as well as interacting with the various viewpoints scholars hold on these issues Beale s work makes a major contribution in the much debated area of how the Old Testament is used in the Apocalypse Approaching Revelation in terms of its own historical background and literary character Beale argues convincingly that John s use of Old Testament allusions and the way the Jewish exegetical tradition interpreted these same allusions provides the key for unlocking the meaning of Revelation s many obscure metaphors In the course of Beale s careful verse by verse exegesis which also untangles the logical flow of John s thought as it develops from chapter to chapter it becomes clear that Revelation s challenging pictures are best understood not by apparent technological and contemporary parallels in the twentieth century but by Old Testament and Jewish parallels from the distant past

The Catholic Encyclopedia Charles George Herbermann,1912 **An Introduction to Psychology of Religion** Robert W. Crapps,1986 Developed in almost thirty years of classroom experience this book is designed to introduce students and other readers to the psychological study of religion Robert W Crapps deals with the major questions and figures that have dominated the psychological study of religion over the past century dividing the discussion into four parts Two chapters in part one suggest the problems and possibilities for the psychological study of religion in light of the nature of religion and the scientific method Part two sketches the contributions to the study of religion of three intellectual currents in contemporary psychology psychoanalysis behaviorism and humanistic psychology part three explores the relationship between religion and human development while part four directs attention to religious lifestyles and that weave differentiated parts of human experience into a cohesive whole Publisher description

The Meaning Of Revelation Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Meaning Of Revelation has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Meaning Of Revelation has opened up a world of possibilities. Downloading The Meaning Of Revelation provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Meaning Of Revelation has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Meaning Of Revelation. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Meaning Of Revelation. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Meaning Of Revelation, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal

information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Meaning Of Revelation has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
