The New Glutton Or Epicure Horace Fletcher, 2015-03-27 The original *Glutton or Epicure* has been completely revised and much enlarged including considerable new matter added in the form of testimony by competent investigators which confirms the original claims of the book and supplements them with important suggestions The *New Glutton or Epicure* is now issued as a companion volume to the *A B Z of Our Own Nutrition* in the *A B C Series* and is intended to broaden the illustration of the necessity of dietetic economy in the pursuit of an easy way to successful living in a manner calculated to appeal to a variety of readers and wherein it may suggest the scrappiness and extravagance of an intemperate screed the author joins in the criticism of the purists and offers in apology the excuse that so called screeds sometimes attract attention where more sober statement fails to be heard
