The Night The Rich Men Burned English Edition:

The Night the Rich Men Burned Malcolm Mackay, 2015-07-02 There s nothing so terrifying as money Two friends Alex Glass and Oliver Peterkinney look for work and for escape from their lives spent growing up on Glasgow s most desperate fringes Soon they will become involved in one of the city s darkest and most dangerous trades But while one rises quickly up the ranks the other will fall prey to the industry s addictive lifestyle and ever spiralling debts Meanwhile the three most powerful rivals in the business Marty Jones ruthless pimp Potty Cruickshank member of the old guard and Billy Patterson brutal newcomer vie for prominence And now Peterkinney young and darkly ambitious is beginning to make himself known Before long violence will spill out onto the streets as those at the top make deadly attempts to out manoeuvre one another for a bigger share of the spoils Peterkinney and Glass will find themselves at the very centre of this war and as the pressure builds each will find their actions and inactions coming back to haunt them But it is those they love who will suffer most From the award winning author of the Glasgow Trilogy *The Night the Rich Men Burned* is a novel for our times and Malcolm Mackay s most ambitious work to date

Forgotten Blood Police Constable Vinny Reno both a friend and a valuable contact for Darian's unlicensed PI firm is desperate for help in finding his missing ex wife and clearing his own name A thread of a clue leads to one of Challaids oldest wealthiest banking families the Sutherlands But pulling one thread can unravel a whole tapestry and soon things are moving too fast for even the most powerful people to control **For Those Who Know the Ending** Malcolm

Mackay,2017-07-18 Martin Sivok is in trouble Tied to a chair plastic strips biting his wrists inside a deserted warehouse There are only so many ways this scenario can end most of them badly For now his best hope is figuring out who put him here and staying conscious long enough to confront them To stay awake he reviews the past year of his life evading the law in the Czech Republic by running to Glasgow settling into a borderline respectable relationship with his landlady and getting back into the life at the very bottom of the criminal ladder alongside Usman Kassar a cocky goofy kid anxious to prove himself The job should be simple Smash heads grab cash run The trouble with being two outsiders is you don't always know whose heads are too dangerous to crack or whose cash is too hot to handle In sharp precise prose Malcolm Mackay an elegant stylist unmatched in contemporary noir Chicago Tribune captures the character of Glasgow and its underworld denizens **Froissart's Chronicles** John Jolliffe,2012-03-13 The Chronicles of Jean Froissart 1337 1410 are universally acknowledged as the most vivid and faithful account of 14th century events and ideas This medieval collector of intelligence travelled widely from Scotland and Wales to France Italy and the Netherlands conversing with gentlemen of rank everywhere and developing a tremendous skill for persuading those about him to divulge their secrets These Chronicles offer an unrivalled picture of the age of chivalry drawn by a contemporary with a verve that recalls Chaucer Fresh vivid immediate and laced with a certain disrespect for the Establishment they tell of acts of gallantry tournaments feasts and wars that make for fascinating reading abetted by John Jolliffe's translation that renders Froissart into highly accessible modern English
