Shadows of the Messiah in the Torah Dan Cathcart, Dan &. Brenda Cathcart, 2012-09-08 Shadows of the Messiah in the Torah Volume 4 Jesus Hebrew name is Yeshua which means He will save or salvation His coming is in fulfillment of the promises of God to send salvation to His people God recorded these promises through Moses and the prophets in the Old Testament the scriptures from Moses to Malachi Yeshua says that all the scriptures are about Him John 5 39 Search the scriptures for in them ye think ye have eternal life and they are they which testify of me John 5 46 For had ye believed Moses ye would have believed me for he wrote of me This volume contains twelve in depth studies illuminating some of the prophecies in the Old Testament which testify that Yeshua is the Messiah who is coming again The first six lessons in this volume highlight God's grace and His identity as our redeemer as we examine Isaac as the Promised Seed the story of Naomi and Ruth and Yeshua as the stone the builders rejected We visit the little known concepts of the kinsman redeemer and avenger of blood and the ritual for determining whether a wife has been faithful or adulterous This last one may bring you to your knees as you discover an incredible analogy of Yeshua taking the consequences of our sin on Himself We round out this half with the exploration of grace and truth first revealed in the Torah The second set of six lessons all revolve around the land of Israel the land of prophecy Each location we examine Bethlehem Hebron Shechem Jerusalem and the entire land all have a role in the revelation and fulfillment of God's redemption plan and in the establishment of His kingdom Each lesson has a student notes section and discussion questions for use individually or with a group Join us as we tear out the blank page between the Old Testament and the New Testament and see the scriptures as one unified book given to reveal the character of God and the two comings of Yeshua John 1 45 We have found him of whom Moses in the law and the prophets did write Jesus of Nazareth the son of Joseph

Prophet Muhammad (Peace Be Upon Him) in the Bible Dr. S.M. Mohiuddin Habibi, Syed Ahsan Habibi, 2016-05-13 The greatest hope of all the religious groups that awaited for scores of centuries with a dogma of their own Holy Books which witnessed the glory and the majesty of that personality called as Muhammad and Ahmad the Glorious and the Praised on whom be peace and lasting blessings which certainly got fulfilled when he finally

arrived on the stage of the history The Scriptures of the Prophets that went before him ended their tasks by heralding the tiding of his coming Despite the textual corruption of those ancient scriptures the golden sayings were still preserved by ALLAH the One True God as a signpost for the honest and noble readers The seekers of truth Be certain of the fact that Prophet Muhammad Peace Be Upon Him was the promised Prophet and the awaited saviour whom the Jews called as the King Messiah His coming was prophesied by all the Prophets like Moses and Jesus Peace Be Upon Them long before his arrival and he was also mentioned in the Old and New Testaments Likewise the Far East Indian scriptures never failed to mention his name and praises which certainly constitute a miracle pertaining to him and confirming his Prophethood In the light of the above facts how could a man of wisdom escape from this overwhelming thought Or will he still deny this truth Or will he still await and hope that from Heaven angels would come and guide him when the final Message has already been delivered by Muhammadur Rasul ALLAH to the creation of ALLAH in general on whom be peace and lasting blessings Indeed it is ALLAH the Lord of the worlds Who Himself calls on us to acknowledge this truth in the Holy Quran O mankind The Messenger Muhammad on whom be peace and lasting blessings hath come unto you with the Truth from your Lord Therefore believe it is better for you But if ye disbelieve still lo Unto ALLAH belongeth whatsoever is in the heavens and the earth ALLAH is ever Knower Wise 4 170

Women in John's Gospel Susan Miller, 2023-01-26 Closely examines John's portrayal of women in relation to discipleship and the theme of new creation arguing that these depictions are influenced by his apocalyptic world view By employing historical and literary methods of biblical interpretation to analyse John's presentation of women and gender Miller explores the extent to which John gives any indications of the female role in both John's community and the beginnings of the Christian faith Beginning with the Virgin Mary's portrayal at the wedding at Cana where she prompts Jesus to carry out his first sign Miller then thoroughly assesses several crucial female characters in John to stress how Jesus' female followers truly recognise him as the Messiah These include the Samaritan woman Martha and Mary of Bethany and Mary Magdalene and her encounter with Jesus in the garden Crucially Miller suggests that John's frequent use of woman links these female followers particular Jesus' venerated mother with the figure of Eve in Genesis and she concludes that women are associated with the hour of Jesus when he casts out the ruler of the world and inaugurates the new creation

The Titles of Jesus in Christology Ferdinand Hahn, 2022-09-29 The Titles of Jesus in Christology was recognised as a major contribution to Christological study when it was first published in German in 1963 Its translation into English a few years later cemented this status Hahn undertakes a massive and detailed examination of the various traditions that led to the use of names for Jesus that we now recognise as characteristic of the very early Church Moreover he carefully distinguishes between the different Christological conceptions present in these differing branches of primitive Christianity and embodied in the terms they produced His analysis and categories have been followed by many later scholars who built on his detailed study of the peculiarities of the different titles given to Jesus by the different communities that followed him
