In at the Death Francis Duncan,2018-10-02 When murder is afoot nothing is as it seems Mordecai Tremaine and Chief Inspector Jonathan Boyce rarely allow a promising game of chess to be interrupted though when murder is the disrupting force they are persuaded to make an exception After a quick stop at Scotland Yard to collect any detective s most trusted piece of equipment the murder bag the pair are spirited away to Bridgton No sooner have they arrived than it becomes clear that the city harbors more than its fair share of passions and motives and one question echoes loudly throughout the cobbled streets why did Dr Hardene the local GP of impeccable reputation bring a revolver with him on a routine visit to a patient Perfect for fans of Agatha Christie and Margery Allingham s classic mysteries Mordecai Tremaine s latest excursion into crime detection convinces him that when it comes to murder nothing can be assumed The Father of Forensics Colin Evans,2006-08-01 Before there was CSI there was one man who saw beyond the crime and into the future of forensic science His name was Bernard Spilsbury and through his use of cutting edge science he single handedly brought criminal investigations into the modern age Starting out as a young charismatic physician in early twentieth century Britain
