**The Sneak-a-peek Fever (My True Christmas Story)** Terry Shoemaker,2009      *The One True Christmas Tree* James Cochrane,2014-12-10 Terry the Woodsman came upon a strange group of people that were having a problem with their trees Terry being very good with the care of trees helped them out They were so grateful they asked Terry to stay on to help manage their trees He agreed But then trouble began when people from the surrounding area came and started chopping down trees for Christmas time Terry had to find a way to stop them The means to which he found had unintended consequences that he decided he needed to find another way It was going to be difficult and it seemed like an impossible task His discovery led him to understand the One True Christmas Tree and how it could be the answer to his problem but it too had an unintended consequence and he would have to figure out if he could live with that      Unexplainable Ashley Carter,2024-03-11 In her collection of short stories Ashley unveils a tapestry of personal narratives that illuminate the unwavering presence of God s grace love and inspiration throughout life s myriad journeys Through heartfelt prose and soul stirring reflections Ashley invites readers to embark on a transformative exploration of faith and resilience With each tale she gracefully weaves together moments of triumph loss and redemption showcasing the power of divine intervention in the face of adversity From the depths of despair to the heights of triumph these poignant stories are testaments to the unfailing love and guidance that can be found even in the darkest of times Ashley s words resonate with authenticity and vulnerability inviting readers to embark on their own spiritual quests and discover the divine light that illuminates their paths As readers immerse themselves in these pages they will be captivated by Ashley s ability to touch the human spirit Her stories serve as a gentle reminder that amidst life s challenges God s grace is ever present ready to uplift heal and inspire Each anecdote is a beacon of hope reminding us that we are never alone on this extraordinary journey called life Ashley showcases her profound understanding of the human experience and her unwavering faith in the boundless power of God s love Her stories will resonate deeply within the hearts of readers igniting a spark of inspiration that will continue to burn long after the final page is turned Discover the transformative power of faith and the miracles that unfold in the midst of life s trials Ashley Carter s collection of personal stories will leave you inspired uplifted and forever changed      *Dreaming about love-The Beginning-volume 1* Baicu Sorin Robert,2019-01-24 This mystical novel is unique not only because the author combines prose with poetry in a harmonious way but slowly guides you from a mystical childhood to the primordial precepts of universal evolution I could say that nothing is possible without love and understanding this novel doesn t skip over this issue The unusual love shared between the Fairy Crissy and the mortal Robby is a great bond which gives a certain charm to the subsequent events The intrigue is highlighted by the fight between Good and Evil The heat of the love is the ending At the beginning is the journey on the long corridor pressed by darkness it was cold Yes cold So she was starting to feel You don t even know if you should be joyful for his unexpected chance or to cry out of pity for the heroine for the loss of her immortality
