**The Meaning and Symbols of Holy Eucharist** Van A. McCalister, II, Fr Van a McCalister II, 2014-05-01 The Meaning and Symbols of Holy Eucharist is an introduction to worship in the Anglican tradition as observed in the American Church The centerpiece of the book is an Instructed Eucharist based on Rite Two Eucharistic Prayer A from the 1979 Edition of the American Book of Common Prayer From the Preface Much of my ministry has been spent on mentoring and preparing new comers confirmands lay ministers and recently ordained clergy for worship and ministry It is my prayer that this brief book will provide the necessary big picture that we all need to make sense of this form of worship we call Liturgy These resources may be particularly useful for First Communion Confirmation and Licensed Lay Ministry training I have also been mindful of the outsider like myself who came from a non liturgical tradition and would have appreciated a primer to help me on my way as I fell in love with the Liturgy even though much of it was an enigma For those of us in that situation the heart understood the Liturgy long before the mind did The following essays and instructions are intended to help your mind catch up with your heart However there is not a wall of separation between heart and mind they are in constant interaction with one another Therefore I have also intentionally framed the following instructions within an attitude of devotion that we may draw nearer to Jesus with all our heart soul mind and strength The Meaning and Symbols of Holy Eucharist also includes descriptions of the Seasons of the Church Year instructions on How to Receive Holy Communion Common visual symbols with illustrations recommended prayers for personal devotions the Private Prayers offered by the priest during the Celebration how to lead Morning Prayer Frequently Asked Questions about Anglicanism and a glossary of terms Quotes from the Early Church Fathers are interspersed through out the book

Dr. Mike Sowards, D.Min., 2017-09-18 In *Conversational Preaching* we are given an in depth investigation into how humans communicate and how understanding interpersonal communications skills can be of considerable value for those called to preach God's word Dr Sowards has made rather elegant use of the model of interpersonal communication as a device to explore preaching and communicating with congregants Dr Dalton Kehoe Senior Scholar Communication Studies York University Toronto Canada Sowards book advances the idea of conversational preaching beyond the merely metaphorical by applying practical insights from Interpersonal Communications Theory to the act of sermon crafting The Rev Dr Micah Jackson Ph D Bishop John Elbridge Hines Associate Professor of Preaching and Director of Comprehensive Wellness Seminary of the Southwest in Austin Texas This book is for preachers and students of preaching who want to become better preachers and communicators I have explored the theories of interpersonal communication and shown how preachers can benefit from such knowledge I described the concept of noise as an impediment to communications and explored the topic with regard to politics beliefs about the poor past religious experiences and having an underdeveloped faith I examined the concept of feedback and how effective feedback can be fodder for future sermons I developed a model for conversational preaching using interpersonal communications theory and state that the ultimate goal of any sermon would be to facilitate a conversation with the hearers of a sermon and God

*The Eucharist Explained* Richard Divozzo, 2023-10-27 Perhaps the doctrine of the Catholic Church most baffling to Protestants and the hardest to accept is her teaching on the Eucharist as both a sacrament and especially as the actual Body and Blood of Christ as he offered it on the Cross But what does the Catholic Church really mean by what she teaches about the Eucharist as opposed to what many have supposed her to mean by it Does the Catholic teaching have any foundation in the Bible Did Christ himself say anything about the Eucharist Is the Eucharist only a symbol or is it in the Sacrifice of the Mass the actual Body and Blood of Christ for our salvation These questions and others are answered for the Protestant inquirer in this book which the author hopes will at the very least help the reader to understand that what the Catholic Church believes about the Eucharist is not an invention but is rooted in a profound understanding of the Scriptures
