The Modern Eagle Guide:

The Modern Eagle Guide, 2nd Edition Jake Melampy, 2016-03-02 *The Modern Eagle Guide* Jake Melampy, 2008-06-01

In the third installment of The Modern Guide series the author examines the Boeing F 15 Eagle in detail never before seen. Every version of the venerable Eagle is studied from the earliest F 15A up to and including the latest F 15E serving in Operation Iraqi Enduring Freedom. Export versions equipping friendly air forces throughout the world are also covered. To document this famous aircraft in book form took thousands of hours over 950 color images and the help of F 15 pilots, crew chiefs and historians making this publication the most thorough, accurate and best Eagle book ever published.

The Modern Witchcraft Guide to Fairies Skye Alexander, 2021-06-15. Interact with magical fairy folk and incorporate them into your own witchcraft practice with this detailed account of the ancient wisdom and traditions of fairies and witchcraft. Fairies have long been a part of witchcraft traditions, especially Celtic and Norse witchcraft, paganism and other traditions deeply tied to the earth. But these fairies aren't the harmless creatures you've read about in children's tales; they are magical creatures with their own culture and rules that you need to know before venturing into their territory. Now you can explore the world of the fairies and how their magic relates to your own witchcraft practice with *The Modern Witchcraft Book of Fairies*. This book provides you with all the information you need to know about the different types of fae folk and how you can safely interact with them to make the most of your witchcraft practice.

The Modern Witch's Curriculum: A guide to spiritual exploration, discovery, and magickal practices E. Massey, 2018-05-30. There comes a time in every Witch's life when they feel there is nothing left to learn. When all the classes and all the books just cannot satisfy our want to learn more. What if there was a book for all magickal practitioners that went beyond Witchcraft magick 101 and 102? What if there was a resource that allowed a Witch to grow and learn without the constraints of tradition and at their own pace? *The Modern Witch's Curriculum* is that resource. Combining history, science and hands-on activities in an easy-to-follow calendar format that can be started at any time of the year and on any day of the week. There is no beginning or ending to this book. It can be used over and over again. This curriculum is relevant to anyone of any magickal tradition or spiritual background. Created to guide the reader to areas of study and spiritual knowledge by using any resources that are accessible to them. There are no boundaries or requirements on how the reader can collect the information.
