What were the lesser known original purposes of the concentration camp system established in Germany just weeks after Hitler seized power? Who realizes that just prior to Hitler seizing power the Jewish population in Germany was a mere 0.7%? These and countless more insights regarding the Third Reich are revealed in *Exposing the Reich*. From young students to well informed history buffs readers will gain a wealth of new insights into Hitler and his regime of terror.

This is an opportunity for stock taking a timely project when so much writing has been rediscovered, reclaimed and republished. There are entries on writers on individual texts and on general terms, genres and movements, all printed in a single alphabetical sequence.
