The Murder At The Vicarage:

The Murder at the Vicarage Agatha Christie, 2011 The murder of Colonel Protheroe shot through the head is a shock to everyone in St Mary Mead though hardly an unpleasant one Now even the vicar who had declared that killing the detested Protheroe would be doing the world at large a favour is a suspect the Colonel has been dispatched in the clergyman's study no less But the picturesque English village of St Mary Mead is overpopulated with suspects There is of course the faithless Mrs Protheroe and there is of course her young lover an artist to boot Perhaps more surprising than the revelation of the murderer is the detective who will crack the case a white haired old lady with a gentle appealing manner Miss Jane Marple has arrived on the scene and crime literature's private men's club of great detectives will never be the same **The**

Murder at the Vicarage Agatha Christie, 1963 *The Murder at the Vicarage* Agatha Christie, 2023-02-16 A quiet English village A shocking murder An unlikely detective Nobody liked Colonel Protheroe So when he's found dead in the vicarage study there's no absence of suspects in the seemingly peaceful village of St Mary Mead In fact Jane Marple can think of at least seven As gossip abounds in the parlours and kitchens of the parish everyone becomes an amateur detective The police dismiss her as a prying busybody but only the ingenious Miss Marple can uncover the truth Never underestimate Miss Marple Agatha Christie is the gateway drug to crime fiction both for readers and for writers Val McDermid Always keeps her reader enthralled and guessing to the end Times Literary Supplement The Murder at the Vicarage Agatha Christie, 2000 Miss Jane Marple a deceptively demure spinster investigates when an unpopular magistrate and church warden is discovered shot through the head *The Murder at the Vicarage* Agatha Christie, 2026-01-06 The famous novel in which the Queen of Crime introduced one of her most beloved characters the indomitable Miss Marple St Mary Mead appears to be a typically quaint English country village but many dark secrets lurk under its placid surface and its most unobtrusive resident the elderly Miss Jane Marple is equally easy to underestimate When Colonel Protheroe the exceedingly disagreeable local magistrate is found shot to death in the vicar's study the police are confounded Nearly everyone in the village had good reason to wish the man dead witness accounts conflict and two contradictory confessions further muddy the waters Suspects abound including an archaeologist on a local dig a young visiting artist an unhappy wife a local poacher and a mysterious woman just arrived in town and of course the vicar himself But the vicar's observant neighbor Miss Marple notices far more than most An adept and shrewd student of human nature she is the only one clever enough to untangle the clues and solve the mystery Murder at the Vicarage Agatha Christie, 2000 Colonel Protheroe St Mary Mead's most loathed magistrate has been found shot through the head It isn't his murder that raises eyebrows but rather the scandalous secrets it exposes which send Miss Marple on the trail of a killer with something to hide **The Murder at the Vicarage** Agatha Christie, 1977 Miss Marple is on the trail of a killer with something to hide The Murder at the Vicarage, by Agatha Christie (8 Cassettes).
