 includes a detailed discussion a challenge that teachers can apply immediately and questions to help teachers assess the
 process to see what went right what went wrong and most importantly why Ruth and Stacey also provide daily
 encouragement support practical strategies tips advice and everything you need to run an effective writing workshop that
 meets the needs of all the different writers in your classroom **Getting It in Writing** Deborah M. Stankevich, 2011-07-01
 Sixteen teachers Sixteen journeys All on a quest to become outstanding teachers of writing All taking different paths to
 acquire and hone those skills that make a teacher effective From kindergarten to college teachers are faced with the
 daunting task of instilling the art of writing in their students From creative writing to research the art of writing incorporates
 the writing process to create the inking of our thinking These 16 teachers from across the nation have traveled a long and
 arduous path to seek and to reach for the methods and strategies that will make them successful writing teachers These are
 their stories **The No-Nonsense Guide to Mental Health in Schools** John R. Burns, 2024-06-03 Responding to the rise
 in challenges to the mental health of young people this book provides schoolteachers with the essential skills required to
 recognise emotional distress in their students and more importantly empowers them to make a genuine difference Teachers
 have unintentionally become the first responders for distressed youth in their schools but they cannot be expected to carry
 out mental health interventions This book provides teachers with essential mental health literacy and knowledge of mental
 health first aid so that they know how to act when their students need help The chapters provide concise and jargon free
 outlines of the main mental disorders that teachers can expect to encounter in their classrooms and offer practical guidance
 on how to speak to these students and help them towards the most suitable support in the community Drawing on the best
 available research and offering illustrative case studies to support core skills this book gives teachers the confidence and
 competence to take action A crucial resource for all school staff *The No Nonsense Guide to Mental Health in Schools*
 supports teachers to feel confident in making a difference in the wellbeing of their students **Becoming a Literacy
 Leader** Jennifer Allen, 2023-10-10 In this second edition of *Becoming a Literacy Leader Supporting Learning and Change*
 author Jennifer Allen reflects on her work as a literacy specialist and how the role has evolved in the decade since she wrote
 the first edition Her experiences can apply to all school leaders including principals coaches teachers support staff and office

administrators Allen focuses on three ideas to describe her work Layered Leadership the multitude of supports in place for teachers to encourage learning and change within schools Shared experiences that develop community and develop common understanding of practices curriculum and assessment Importance of rowing in the same direction in that literacy coaches and leaders stay interconnected and aligned to the goals of the school Allen knows the challenges of teachers face and advocates literacy coaches implement these layers of support within a school including in class support curriculum support and assessment study group facilitation and the cultivation of teacher leadership In *Becoming a Literacy Leader* she provides an explicit framework for implementing these layers of coaching and explains how administrators can use the literacy leader position to build and sustain change within their schools This book will be the road map for how literacy leaders and coaches approach their work with purpose and intention Online videos that accompany the book bring the text alive by showing readers what coaching looks and sounds like
