Soul Retrieval Mending The Fragmented Self:

Soul Retrieval Sandra Ingerman,2011-12-20 With warmth and compassion Sandra Ingerman describes the dramatic results of combining soul retrieval with contemporary psychological concepts in this visionary work that revives the ancient shamanic tradition of soul retrieval for healing emotional and physical illness This revised and updated edition includes a new afterword by the author *How to Heal Toxic Thoughts* Sandra Ingerman,2007 Negative feelings can be as toxic to our health as physical poisons wearing on us and causing depression illness and burnout Ingerman reveals the secrets of the ancient alchemists and offers strategies for processing harmful thoughts and emotions and turning spiritual lead into gold

An Encyclopedia of Shamanism Volume 2 Christina Pratt,2007-08-01 Shamanism can be defined as the practice of initiated shamans who are distinguished by their mastery of a range of altered states of consciousness Shamanism arises from the actions the shaman takes in non ordinary reality and the results of those actions in ordinary reality It is not a religion yet it demands spiritual discipline and personal sacrifice from the mature shaman who seeks the highest stages of mystical development *The Mist-Filled Path* Frank MacEowen,2010-09-07 In *The Mist Filled Path* Frank MacEowen shows how embracing the indigenous wisdom of Scotland and Ireland can lead to healing and transcendence Using his own travels and teachings along with Celtic stories and myths he explores ancient traditions ecopsychology the ancient mother altars and hearths Oran Mor the Great Song contemplation and mysticism The book tells how to draw on ancestral roots to find a personal spirituality that also works for the greater good **The Last Adventure of Life** Maria Dancing Heart,2008 A tool for healing and prayer this book aims to assist anyone who is grieving preparing to die caring for loved ones who are ill or interested in exploring different ways to view spirituality and death It offers an introduction to hospice and includes inspirational stories poetry scripture prayers and guided meditations

The Development of Logic in Adulthood Jan D. Sinnott,2013-03-09 In this book Jan D Sinnott synthesizes her 20 years of research on lifespan cognitive development to describe the growth of complex or postformal thought in adults She shows specifically how adults improve mentally over a lifetime and learn to think in more complex and wiser ways Applications of postformal thought are demonstrated in such diverse areas as family relations adult education personal identity and spirituality Chapters examine relations between postformal thought and pertinent variables such as age health memory and vocabulary Other sections deal with issues in humanistic psychology such as guided imagery mind body medicine and creative intentionality *Being Scioto Hopewell: Ritual Drama and Personhood in Cross-Cultural Perspective* Christopher Carr,2022-01-05 This book in two volumes breathes fresh air empirically methodologically and theoretically into understanding the rich ceremonial lives the philosophical religious knowledge and the impressive material feats and labor organization that distinguish Hopewell Indians of central Ohio and neighboring regions during the first centuries CE The first volume defines cross culturally for the first time the ritual drama as a genre of social performance It reconstructs and compares parts of 14 such dramas that Hopewellian and

other Woodland period peoples performed in their ceremonial centers to help the soul like essences of their deceased make the journey to an afterlife The second volume builds and critiques ten formal cross cultural models of personhood and the self and infers the nature of Scioto Hopewell people s ontology Two facets of their ontology are found to have been instrumental in their creating the intercommunity alliances and cooperation and gathering the labor required to construct their huge multicomunity ceremonial centers a relational collective concept of the self defined by the ethical quality of the relationships one has with other beings and a concept of multiple soul like essences that compose a human being and can be harnessed strategically to create familial like ethical bonds of cooperation among individuals and communities The archaeological reconstructions of Hopewellian ritual dramas and concepts of personhood and the self and of Hopewell people s strategic uses of these are informed by three large surveys of historic Woodland and Plains Indians narratives ideas and rites about journeys to afterlives the creatures who inhabit the cosmos and the nature and functions of soul like essences coupled with rich contextual archaeological and bioarchaeological taphonomic analyses The bioarchaeological taphonomic method of l anthropologie de terrain new to North American archaeology is introduced and applied In all the research in this book vitalizes a vision of an anthropology committed to native logic and motivation and skeptical of the imposition of Western world views and categories onto native peoples

Gracious Wild Stacey L.L. Couch,2013-11-01 Gracious Wild is the story of Stacey Couch s incredible journey out of the mundane world of science and reason into the vast shamanic realms of creativity and inspiration Readers will travel on this intimate exploration of what happens when one woman allows the messengers of nature to guide her These winged guides wrap her mind up in the mysteries they present leading her to a richer more fulfilling life Stacey s tale begins on an isolated island where as a scientist her main responsibility is to care for a couple dozen foxes in captivity As a result of a series of ecological tragedies the fox population is on the verge of extinction and a novel hawk species begins nesting on the island for the first time in recorded history It is during her time watching the nesting hawks alone in nature that her real quest begins a series of hawks become her guides rousing life s biggest questions like why am I here Gracious Wild weaves Stacey s relationship with the hawks alongside her study of shamanism with a good deal of information included for those seeking more details about this spiritual path Stacey s belief is that wild animals are trying to speak and interact with us every day To listen to them is to listen to that which is divine within each of us Their calls mirror our own inner calling to a greater purpose Gracious Wild offers a vivid and candid tale of a woman who loses then rewrites the meaning of her life at the same time showing readers their own humanity how being open to spirit messages from animals can provide important and beneficial life changing guidance
