Geography

Mark and Tim are having a look at the map of South Africa. They are looking for the capital and the biggest city. Read the text and decide what is right and what is wrong.

In South Africa, there are three capitals. Pretoria is the administrative capital and is often considered as the capital. The north of Johannesburg, which is the largest city in the country, Cape Town is the legislative capital. It is on the coast and it is the second largest city. Bloemfontein is the judicial capital and has a central position in South Africa.

Getting ready !

Here is Mark's to-do list. What has he already done? What hasn't he done yet?

Try to do this before you go to South Africa
