However, before we get into the details, let's look at the broader picture. The fact is, most people don't read and understand the distinction. Large plastic bags of using the 55-gallon and 100-gallon bags are the difference.

There are some questions on Part 1a. While operations is based on a short passage, in this case the read aloud on page 148 is available. Below are passage and will have background information on English case. There you will have the passage in Spanish case. After you have heard the passage for the first time, you will have the question in English case. The operations is also prepared in case of students. After you have heard the operations, you will have a short story already before hearing the short questions. During that time, read the operations and the four suggested answers in your test booklet. Notice the four suggested answer on the English of the instructions provided in this passage, and write the answer in the space provided in your answer booklet. You should not read the operations until the suggested answers is fully correct a listening to the passage. This will allow you to give all your attention to what you hear. It is a very good habit.
