Yearbook of International Organizations 2014-2015, Volumes 1a & 1b (Set) Union of International Associations, 2014-06-16 Volume 1 A and B covers international organizations throughout the world comprising their aims activities and events *Management and Military Studies* Joseph Soeters, 2020-03-24 This book connects findings and insights authored by famous scholars in management and organization studies with challenges the military is facing today One assumes that management and organization studies is only about the rational predictable and manageable and that military action is predominately irrational unpredictable and unmanageable both assumptions are wrong This book argues that the discipline of management and organization studies is highly relevant for the military in both peace and wartime conditions and for any situation in between In all conditions the giant and complex military organization needs to be structured processed administrated led and accounted for Each chapter presented in this volume focuses on the contributions of founding thinkers in management and organization studies with their work translated and applied to the military setting These scholars are drawn from a variety of backgrounds including organizational sociology economics political science psychology and engineering Although the work of only a few explicitly refers to the military the contributions of all these scholars are relevant in order to come to grips with security and military affairs Together with many other academics work the contributions of these 18 scholars constitute the core of the field of management and organization studies *Index Medicus*, 2004 **Mainstreaming the Tribal Areas (ex-FATA) of Pakistan Bordering Afghanistan** Asghar Khan, 2022-08-23 The book addresses why the Pakistani state is facing persistent challenges in extending and consolidating its governance authority throughout its territories especially in the former Federally Administered Tribal Areas ex FATA Even after the de jure merger the question still remains valid that how Pakistani state could establish its governance in these tribal areas Through multi dimensional approaches and multi pronged analysis of state centric top down society centric bottom up and state in society mixed horizontal approaches the book explains factors and dimensions that pose challenges to Pakistani state governance in ex FATA The main hypothesis is that societies where state governance is absent turn to informal governance and create informal institutions as a substitute for the weak central state governance thereby challenging the domination and control authority of the state The book presents policy recommendations for bringing these tribal areas into the mainstream governance system of Pakistan *The House of Beauty* Arabelle Sicardi, 2025-10-14 When I tell you that beauty is a monster I need you to know it is my favorite kind So begins Arabelle Sicardi s blazingly original collection of essays A former beauty editor Arabelle has devoted their entire adult life to the subject of beauty they have analyzed it criticized it praised it benefited from it loathed it Now in *The House of Beauty* they get to the contradictions at the heart of it beauty and horror two sides of the same coin With their signature blend of intellectual rigor and poetic

sensibility Arabelle explores how beauty myths are crafted sold and weaponized from corporate boardrooms to your local nail salon Follow alongside Arabelle as they trace the global trail of the shimmering mica in your beauty products choose your own adventure style or journey into the past to unearth the sinister connection between fragrance and fascism Bear witness as they visit a tech convention focused on the next horrifying frontier of body modification or as they ask what s at stake in the braids we weave in our hair Sharp yet tender in their observations Arabelle challenges readers to reconsider beauty as more than a product of consumption inviting a vision of beauty rooted in community and self care one that transcends industry driven ideals Equal parts expos and cultural reckoning The House of Beauty cracks open an industry that sells dreams and wields power Once you have encountered Arabelle s words there is no looking back

Psychiatry, Politics and PTSD Janice Haaken,2020-07-19 Integrating critical and feminist psychology psychiatry and psychoanalysis this text offers a distinct perspective of posttraumatic stress disorder PTSD as a clinical and social phenomenon The book draws upon interviews carried out in field settings to examine the true individual and social costs of being diagnosed with PTSD The author examines how social contexts and social movements shape diagnostic thinking about mental trauma and how the PTSD diagnosis emerged as a symptom of a crisis in psychiatry over demands to recognize the social and political origins of mental suffering Chapters explore case examples from a range of settings such as military and veterans affairs clinics war zones and refugee camps psychosomatic medicine the criminal justice system and more Providing a new way of thinking about PTSD and an alternative to both critics and defenders of the diagnosis this text will be useful for scholars and practitioners in psychiatry psychology psychoanalysis public health policy as well as sociology social work gender studies and the law

Geography of Health Swati Rajput,2024-01-01 This book is an attempt to understand the basics of health in geographical perspective The book is based on the curriculum of CBCS LOCF and NEP UGCF of geography of various universities in India The subject is also taught in many foreign universities outside India as a part of their curriculum and research The book explains in detail the concept of health and wellbeing Health geography has its crux in spatial distribution of various geographical phenomena influencing multiple aspects of human health The book thus discusses the aetiology of human health It also elaborates on human development processes and their impact on environment and human health The book tries to put forth the spatial epidemiology of communicable and non communicable diseases in India and the world based on authentic published sources of national and international organizations The book devotes one full chapter on types of mental health and their prevalence in the world based on authentic sources of information The last chapter of the book talks about Global Health Organizations and agencies It also discusses Healthcare system in India its merits and drawbacks The geographical variations generate complexity in understanding cause and effect relationship between environment and human health The book thus is organized in a simplified way and tries structure the complex aspects for the readers I hope readers get benefitted from the book and get encouraged working on one of the most dynamic and extremely relevant theme

of Geography of Health **Congressional Record Index** ,1985 Includes history of bills and resolutions **Ethical Economics and Sustainable Development** Devi Datt Tewari,Kehinde Damilola Ilesanmi,2025-11-04 As societies strive for economic progress they often prioritize metrics like GDP growth technological innovation and industrial expansion However amid the rush for material progress something important yet frequently overlooked comes into focus the influence of moral capital on the trajectory of economic expansion This book explores the role of moral capital and its relationship with economic growth It emphasises how investment in moral frameworks can promote social well being and sustainable development The book is divided into two sections The first part focuses on the theorisation of the moral capital and African economic sustainability nexus while the second part is devoted to some selected empirical studies on the impact of moral capital on African economic policies The book argues that firm growth is crucial not only for stakeholders but also for the broader economy underpinning the sustainability of the ecosystem and by adhering to ethical principles organisations can make a positive impact on social economic and environmental issues Furthermore they can proactively address societal concerns promote fairness and justice and engage in sustainable practices Through their actions institutions become agents of positive change helping to shape a more inclusive equitable and sustainable world The key message of the book is that the cultivation of moral capital requires a collective effort from all stakeholders involved in institutional development governments institutions civil society and individuals must collaborate to create an ecosystem that incentivises and rewards ethical behaviour It includes diverse perspectives and combines conceptual theoretical and empirical research addressing contemporary issues in African economic policy and sustainability It presents global case studies to make the case for the importance of moral capital in addressing African leadership problems The book will appeal to academics students and researchers in economics ethics development studies and sustainability The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license Interconnecting the Violences of Men Kate Seymour,Bob Pease,Sofia Strid,Jeff Hearn,2024-11-04 This book aims to expand and enrich understandings of violences by focusing on gendered continuities interconnections and intersections across multiple forms and manifestations of men's violence In actively countering both the compartmentalisation of studies of violence by type and form and the tendency to conceptualise violence narrowly it aims to flesh out not delimit understandings of violence Bringing together cross disciplinary indeed transdisciplinary perspectives this book addresses how what are often seen as specific and separate violences connect closely and intricately with wider understandings of violence how there are gendered continuities between violences and how gendered violences take many forms and manifestations and are themselves intersectional Grounded by the recognition that violence is itself a form of inequality the contributors to this volume traverse the intersectional complexities across both experiences of violent inequality and what is seen to count as violence The international scope of this book will be of interest to students and

academics across many fields including sociology criminology psychology social work politics gender studies child and youth studies military and peace studies environmental studies and colonial studies as well as practitioners activists and policymakers engaged in violence prevention

Understanding West Africa's Ebola Epidemic Ibrahim Abdullah, Ismail Rashid, 2017-10-15 From 2013 to 2015 over 11 000 people across West Africa lost their lives to the deadliest outbreak of the Ebola virus in history Crucially this epidemic marked the first time the virus was able to spread beyond rural areas to major cities overturning conventional assumptions about its epidemiology With backgrounds ranging from development to disease control the contributors to this volume some of them based in countries affected by the Ebola epidemic consider the underlying factors that shaped this unprecedented outbreak While championing the heroic efforts of local communities and aid workers in halting the spread of the disease the contributors also reveal deep structural problems in both the countries and humanitarian agencies involved which hampered the efforts to contain the epidemic Alarming they show that little has been learned from these events with health provision remaining underfunded and poorly equipped to deal with future outbreaks Such issues they argue reflect the wider challenges we face in tackling epidemic disease in an increasingly interconnected world

Handbook of BRICS and Emerging Economies P. B. Anand, Shailaja Fennell, Flavio Comim, 2021 Ever since Jim O'Neill at Goldman Sachs coined the term BRICS in 2001 there have been many different assessments of these major emerging economies with some even proclaiming that the promise of the BRICS comprising Brazil Russia India China and South Africa is over However the so called arranged marriage still seems to be working well with the club having become a formal international forum with summit declarations ministerial meetings and numerous BRICS wide fora Is this euphoria misplaced Is there a BRICS model of economic and human development Are inequalities increasing and is this the denouncement of the economic successes The Handbook of BRICS and Emerging Economies presents a comprehensive and multi faceted analysis of the BRICS countries and other emerging economies exploring their economic social environmental and governance dimensions and other challenges It brings together multi disciplinary perspectives from more than fifty authors to examine how education contributed to the emergence of BRICS how BRICS are impacting African economies and how other emerging economies including Chile Mexico Turkey and others in Africa and Central Asia compare It observes the impact of governance challenges both within individual countries and in the forum for co operation amongst them what issues related to gender and identity based violence are prevalent and what the security implications are and the role of BRICS is in contributing to peace keeping operations

Youth Activism and Solidarity Gavin Brown, Helen Yaffe, 2017-10-16 From April 1986 until just after Nelson Mandela's release from prison in February 1990 supporters of the City of London Anti Apartheid Group maintained a continuous protest day and night outside the South African Embassy in central London This book examines how and why a group of children teenagers and young

adults made themselves non stop against apartheid creating one of the most visible expressions of anti apartheid solidarity in Britain Drawing on interviews with over ninety former participants in the Non Stop Picket of the South African Embassy and extensive archival research using previously unstudied documents this book offers new insights to the study of social movements and young people s lives It theorises solidarity and the processes of adolescent development as social practices to provide a theoretically informed argument led analysis of how young activists build and practice solidarity Youth Activism and Solidarity The Non Stop Picket Against Apartheid will be of interest to geographers historians and a wide range of other social scientists concerned with the historical geography of the international anti apartheid movement social movement studies contemporary British history and young people s activism and geopolitical agency *Congressional Record* United States. Congress,1997 **Authoritarian Populism and the Rural World** Ian Scoones,Marc Edelman,Saturnino M. Borrás Jr.,Lyda Fernanda Forero,Ruth Hall,Wendy Wolford,Ben White,2021-06-29 The rise of authoritarian nationalist forms of populism and the implications for rural actors and settings is one of the most crucial foci for critical agrarian studies today with many consequences for political action Authoritarian Populism and the Rural World reflects on the rural origins and consequences of the emergence of authoritarian and populist leaders across the world as well as on the rise of multi class mobilisation and resistance alongside wider counter movements and alternative practices which together confront authoritarianism and nationalist populism The book includes 20 chapters written by contributors to the Emancipatory Rural Politics Initiative ERPI a global network of academics and activists committed to both reflective analysis and political engagement Debates about populism nationalism authoritarianism and more have exploded recently but relatively little of this has focused on the rural dimensions Yet wherever one looks the rural aspects are key not just in electoral calculus but in understanding underlying drivers of authoritarianism and populism and potential counter movements to these Whether because of land grabs voracious extractivism infrastructural neglect or lack of services rural peoples disillusionment with the status quo has had deeply troubling consequences and occasionally hopeful ones as the chapters in this book show The chapters in this book were originally published in *The Journal of Peasant Studies* [Political Handbook of the World 2020-2021](#) Tom Lansford,2021-03-23 The Political Handbook of the World by Tom Lansford provides timely thorough and accurate political information with more in depth coverage of current political controversies than any other reference guide The updated 2020 2021 edition will continue to be the most authoritative source for finding complete facts and analysis on each country s governmental and political makeup Compiling in one place more than 200 entries on countries and territories throughout the world this volume is renowned for its extensive coverage of all major and minor political parties and groups in each political system The Political Handbook of the World 2020 2021 also provides names of key ambassadors and international memberships of each country plus detailed profiles of more than 30 intergovernmental organizations and UN agencies And this update will aim to include coverage of current events issues crises and controversies from the course of
