but what s he to do with the fiery lass who is traveling with the dowry The Brigand s Rescued Bride Dominik MacFie seeks one thing and one thing alone Revenge on the man who cost him his life Lady luck was on Dominik s side when she put him in the vicinity of the man who d stolen his heritage his honor his pride and most of all his life Lady luck had nothing to do with Dominik s sneaking into the man s castle to attain vengeance And he would have had a comely lass with a bruised face not screamed at the sight of him Dominik cannot get the bonnie lass from his mind he has to see her again Has to find out why her face is bruised And he has to seek that retribution against his mortal enemy Mairi McAllister s a prisoner in a castle She s scheduled to be wed to the laird who s holding her hostage by using her brother as collateral She rues the night she screamed at the sight of the brigand with the dagger who could have put an end to her misery and her captivity So why does she want to see the mercenary assassin again Fate has thrown these two together but a mutual hatred will keep them together Until fickle fate puts her life in imminent danger again Now Dominik has to make a choice The Highland Spy Aiden McArthur s the ne er do well brother of a laird He s a fighter not a lover Little did he realize that the one chivalrous act he d ever committed would put him in the sights of their English enemies He s under their thumb and has no choice but to spy on his own kind This doesn t sit well with him especially when he determines that he s to spy on the lovely Cora Flannigan Cora Flannigan and her brother were orphaned at a very young age Luckily for the both of them the Ramseys took them in and offered them much more than a home They offered them Highland runaway finds love s sweet surrender a family Little did Cora know about their clandestine activities This wasn t an issue for her She completely understood and supported the highland cause The Highlander s Runaway The Sinclair and the MacFie clans have been feuding for ages Longer than anyone alive can remember why They avoid each other at all costs though their lands border Laurel Sinclair s brother has promised her hand to an oaf of a laird to secure payment of their family s debts Dismayed and disgusted she takes the only option at hand She flees Now that he s no longer part of the mercenary Iron Wolves Caelen MacFie s taken to riding and securing the countryside of his family lands Imagine his surprise when he finds a strange lass exiting the treeline Even more concerning she s sporting the colors of the Sinclairs To further complicate matters she s bleeding from a head wound and doesn t remember her identity
