Dear Parent(s),

We have created this Fluency Folder to help your child develop effective reading skills. Your child will need and use this folder throughout the school year. **Please keep this folder safe.** It will be your responsibility to keep this folder intact. **It will not be replaced.** This folder will need to be brought to school and taken home on a daily basis. Below is a list of ways we will use this reading folder:

1. **Sight Words:** These lists contain the first 100 and 200 words from the Fry Instant Word Lists (1980). The students will be required to know how to read the words on each set. The daily practice is designed to help the students build reading fluency. Begin by practicing Set 1. The students will be tested weekly for mastery. *Mastery is being able to read each word on a second (see it, say it).* The student will move on to the next set when at least 75% (20 words) has been mastered. When the child moves into the next set please continue to review any words that have not been mastered from the previous sets. This is part of the daily homework. Please help your child to achieve this goal. These words may be written on sentence strips to be practiced at home.
2. **Sight Word Phrases:** In addition to Sight Word Lists, there are Sight Word Phrases. Please follow the directions indicated for Sight Word Lists. As with the Sight Word List, please remember that the student will move on to the next set when at least 75% (20 phrases) has been mastered. When the child moves into the next set please continue to review any phrases that have not been mastered from the previous sets. These phrases contain the first 100 and 200 words from the Fry Instant Word List (1980). Repeated reading of a few phrases per week gives students practice reading high-frequency words and developing fluency and general proficiency. These phrases may be written on sentence strips to be practiced at home.
3. **Reading Passages:** After the first 9 weeks, the students will begin to use the reading passages found in this folder. The same story will be read 3 times per evening, Monday-Thursday for homework. Your child's Homework Log will indicate which story is to be read each week.
 - a. Your child will read the 1st time to build accuracy. It should be timed for 1 minute. Count the number of words read correctly and record the words per minute (wpm) in the Home Practice section.
 - b. Your child will read the story a 2nd time to practice using punctuation when reading and to develop expression.
 - c. Your child will read the story a 3rd time to develop comprehension.
 - d. In addition to fluency practice, your child will answer one to two questions per night from the passage. This will help to enhance comprehension and vocabulary development.

We have found these reading folders to be very effective in developing reading skills. By working together, your child will become a successful reader.

Texas Reading First Second Grade Fluency Folder:

Making the Most of Small Groups Debbie Diller, 2023-10-10 Author Debbie Diller turns her attention to small reading groups and the teacher's role in small group instruction. Making the Most of Small Groups Differentiation for All grapples with difficult questions regarding small group instruction in elementary classrooms such as How do I find the time? How can I be more organized? How do I form groups? How can I differentiate to meet the needs of all of my students? Structured around the five essential reading elements: comprehension, fluency, phonemic awareness, phonics, and vocabulary, the book provides practical tips, sample lessons, lesson plans, and templates, suggestions for related literacy work stations, and connections to whole group instruction. In addition to ideas to use immediately in the classroom, Diller provides an overview of relevant research and reflection questions for professional conversations. *Resources in Education*, 1990 **Resources in Education**, 1990 Current Index to Journals in Education, 1996 *Children's Books in Print* R R Bowker Publishing, Bowker, 1999-12 Fluency First! There are 3 differentiated lessons for each of the following skills: Suffixes: s, es, er, est; Suffixes: ly, less, ful; Prefixes: un, pre, re, dis; Affixes Review: Doubling Rule, ed, ing, er, est, Drop e Rule, and Change y to i Rule. The scope and sequence of this program are closely aligned with the UFLI phonics progression as well as many other structured literacy reading programs. Elevating Fluency was written and created by a reading interventionist and literacy coach. Highly engaging differentiated passages are provided for fluency instruction and practice. The reading passage options for each skill are approximately 60 words, 90 words, and 130 words in length. Students are given multiple opportunities to read and write words with the targeted decoding skills while connecting them to language and meaningful text. Each lesson includes accessing background knowledge, vocabulary review, phonemic awareness instruction, word level fluency practice, connected text practice, comprehension questions, dictation, and phoneme-grapheme mapping of the targeted skills. Students graph their progress, which increases motivation and provides immediate feedback on their success. This program can be used as an intervention, prevention, and extension for students in second grade and above. The lessons are complete and ready to go, making them perfect for classroom teachers, paraprofessionals, tutors, or homeschool teachers. Every aspect of the lesson is aligned with the science of reading and incorporates multiple strategies recommended by the International Dyslexia Association (IDA) for students with reading difficulties, including those with dyslexia. **Sails First-Second Grade Launching Fluency Orange Level Set 2**, 2015-08-01 *Sails First-Second Grade Launching Fluency Orange Level Set 1*, 2015-08-01
