Primary Education Helen Adele Whiting, 1927
Becoming a Reading Teacher Jane Spiro, Amos Paran, 2023-04-10 This book encourages readers to think about reading not only as an encounter with written language but as a lifelong habit of engagement with ideas We look at reading in four different ways as linguistic process personal experience collective experience and as classroom practice We think about how reading influences a life how it changes over time how we might return at different stages of life to the same reading how we

might respond differently to ideas read in an L1 and L2 There are 44 teaching activities all founded on research that explores the nature value and impact of reading as an authentic activity rather than for language or study purposes alone We consider what this means for schools and classrooms and for different kinds of learners The final part of the book provides practical stepping stones for the teacher to become a researcher of their own classes and learners The four parts of the book offer a virtuous join between reading teaching and researching It will be useful for any teacher or reader who wishes to refresh their view of how reading fits in to the development of language and the development of a reading life **Language Curriculum**

Design and Socialisation Peter Mikan, 2012-11-23 This book applies social theory to curriculum design and sets out a program for language curriculum renewal for the 21st century It includes many examples of text based curricula and describes a plan for curriculum renewal based on texts as the unit of analysis for planning for teaching and for assessment Underpinned by Halliday's semiotic theory of language the book combines the theory of language as a resource for meaning making with learning language as learning to mean The curriculum design constructs curriculum around social practices and their texts rather than presenting language as grammatical and lexical objects This work will provide teachers teacher educators and curriculum planners with a curriculum model for teaching children and adults in different contexts from preschool to adult education as well as serving as a practical guide for students **Common Core Literacy Lesson Plans**
