

10th Edition

Levison's Textbook for Dental Nurses

Carole Hollins

Levison's Textbook for Dental Nurses is a must have for all students studying for their dental nurse qualification. Whilst retaining the core information on dental nursing which has made this book a deserved classic, this Tenth Edition has been substantially revised to reflect recent changes to many areas of the syllabus and also to the format of the examination. Chapters have been added on brand new areas of study, namely communication skills and dental nurse registration, regulation and responsibilities.

This latest edition fully reflects recent and substantial developments in the dental nursing profession including mandatory registration, new legislation, the New General Dental Services contract, and the subsequent increased pressure for continuing professional development.

- Fully revised and updated
- Includes brand new chapters
- Now in full colour throughout with over 150 photographs and line drawings
