

TEXTE ET SOCIÉTÉ

Perspectives sociocritiques

Renouant avec ses deux ouvrages sociocritiques – *Pour une sociologie du texte littéraire* (1978, 2000) et *Manuel de sociocritique* (1985, 2000) –, l'auteur résume les résultats obtenus par une sociocritique orientée vers la Théorie Critique de l'École de Francfort. Il présente des projets partiellement réalisés dans le Manuel et concrétisés ici dans la « Première partie ». La « Seconde partie » est consacrée aux problèmes de l'institutionnalisation des langages et des esthétiques dans le texte littéraire et à l'interaction entre la psychanalyse et la sociologie. Dans la « Troisième partie », il s'agit d'ouvrir des perspectives historiques et de montrer à quel point les périodes littéraires peuvent être conçues comme des situations à la fois sociales et linguistiques.

Membre correspondant de l'Académie des Sciences autrichienne à Vienne, membre de l'Académie d'Europe à Londres, Pierre V. Zima est professeur de Littérature générale et comparée à l'université de Klagenfurt (Autriche).
