Test Of Righteousness Guide:

A Guide Through 1 John Benjamin Ramsaur, 2022-08-01 Written in the tradition of Robert Law's classic *The Tests of Life* Benji Ramsaur takes the reader on a journey through the spiritual riches of 1 John. The testing facts of righteousness, love, and faith combine with the comforting declarations of this epistle to assure all genuine Christians that they possess life. A life the Son possessed in fellowship with the Father before time began and has now been manifested in the incarnation of Christ. This eternal life has its beginning within an individual when the Father God imparts his own nature in regeneration and it reaches ultimate fruition at the second coming of the Son. Seeking to undermine this Divine life were false teachers who sought to pull the rug out from under the real bodily sacrifice of Jesus Christ. They had once infiltrated the Christian assembly but had now pulled out. Consequently, this had the impact of disquieting those who had remained in fellowship with one another concerning whether or not they shared life in the Spirit. Contextually, this is where the last apostle John intervenes to pastorally bring the reassurance that these believers needed. Wrapped up in his assurance is the teaching that the new commandment to love one another has been realized within their spiritual community. Contrastingly, hatred along with an unrighteousness and heretical teaching marked the secessionists. Hence, a chasm existed between the spiritually alive children of God and the spiritually dead children of the Devil. That same difference exists today. Accordingly, for those on the side of light, this profound epistle was written that they may know they have eternal life. *The Mysteries of Allah and His Muhammad* Fatai Badmos, 2016-12-02 *The Mysteries of Allah and His Muhammad* is indeed a scanty summary of a potentially great debate. However, unwieldy or incomprehensible, the actual details may be certain contexts of the whole or part can always be identified for discussion. In the physique of mankind, Allah manifests. He does so on nature, glaringly just as is inferred from various sections of the book. Whilst He does, the divinity of a being not more than a prophet is also undoubtedly established. That co-joining of the One and Only Creator and a creation, a man Muhammad, who coincidentally is most positively and negatively controversial, should interest those who consider man to be the meanest of God's creations. That we may not discount knowledge of any sort, even that considered most sacrilegious, science, God's inspiration to a mortal being, Muhammad, corroborates too many ideas put forth by scientists or intellectuals' discoveries and postulations. What a mystery that the lightbulb, which in theory and description was already encoded in the Quran more than a thousand years ago, before one bulb ever rolled out in a factory. Only simple minds take things for granted and give no thought to the grandiose schemes of our world and its elements. This book serves as a jolt to those who oversimplify what is or the mysterious. *The Christian Instructed in the Ways of the Gospel and the Church* J. A. Spencer, 1844 **The Sabbath Recorder**, 1929 *The Christian Instructed* Jesse Ames Spencer, 1844 *The Quick-Start Guide to the Whole Bible* Dr. William H.
