## 2014 Computer Based Testing

### IC&RC WRITTEN EXAMINATION PRE-REGISTRATION FORM

#### **IMPORTANT! PLEASE CAREFULLY READ ALL INSTRUCTIONS**

All IC&RC exams administered by TCBAP are available via computer based testing. To register please complete the application form beginning on the second page of this packet. Once your application is received and approved by TCBAP, TCBAP will pre-register you for the computer based exam with ISO Quality Testing. ISO Quality Testing will email you instructions with information on how to pick the day, time, and location you wish to test at and instructions for printing out your Admission Letter. Listed below are the locations available for computer based testing for 2012 and 2013, locations are subject to change throughout the year. Please note that you must pre-register and pay for computer based testing with TCBAP in order to be eligible to test.

Computer Based Testing will now be offered on demand. You must pre-register with TCBAP by completing and returning this application at least 30 days prior to the date you wish to take the exam. Pre-registration processing may take up to 30 days. Once pre-registered you will be notified by ISO Quality Testing and you will be eligible to test for a 60 day window. \*

*\*If you require special accommodations, you must register at least 60 days prior to the date you wish to take the exam and you must complete the special accommodation forms in this packet. Please note that all accommodation requests are sent to IC&RC when received by TCBAP but depending on the accommodations requested it may take more than 60 days to make final testing arrangements. Your 60-day test window will not begin until final determination of the accommodation request is made by IC&RC.*

## **Texas Certification Board Of Addiction Professionals 1005:**

**A National Review of State Alcohol and Drug Treatment Programs and Certification Standards for Substance Abuse Counselors and Prevention Professionals** ,2005      **Slipping Through the Cracks** Mark Sanders,2011-12-01

Clients who have multiple addictions and disorders are more difficult to engage and treat than clients with a single disorder. Many of the current systems are ill equipped to address the myriad challenges of these clients: their relapse and recidivism rates are higher and many of these clients tend to slip through the cracks often going back and forth among addictions treatment, psychiatric and medical hospitalizations and incarceration. Too many difficult to reach clients are at risk for relapse because their practitioners lack effective innovative strategies for this unique client base who remain part of a revolving door syndrome. Now Certified Alcohol and Drug Addictions Counselor Mark Sanders, LCSW offers specific strategies to assist therapists and counselors who work with difficult and at risk populations including those with multiple addictions, co-occurring disorders, adolescents, rural methamphetamine users, antisocial personality disorder, criminality and addiction trauma or grief and chemical dependency history of chronic relapse and recidivism. *Slipping Through the Cracks* is an encyclopedic handbook to specific traits of the difficult to reach client as well as a concise guidebook to effective strategies that will be useful to anyone working with clients in private practice or in treatment programs who have both mental health and substance abuse issues.      *Cumulated Index Medicus* ,1995      [Current Law Index](#) ,1996      **Certification Manual for**

It is organized into six sections: Addiction Basics, Personality Development and Drugs, Common Client Problems, Counseling Theories and Skills, Treatment Resources and Career Issues. Each chapter includes challenging study questions that enable readers to assess their own level of understanding including true/false, multiple choice and provocative discussion questions. Each chapter also provides a glossary of key terms and in addition to references, annotated suggestions for further reading and Web site exploration. This book will be a resource to which students and trainees will go on referring to long after it has helped them through their examinations. In addition, faculty and established professionals will find it a useful one-stop summary of current thinking.
