

TEXAS LITIGATION GUIDE

March 1991

Cumulative Supplement

7

By

William V. Dorsaneo III
Member of the State Bar of Texas
and
Professor of Law
Southern Methodist University

IMPORTANT NOTE

Since the original publication of TEXAS LITIGATION GUIDE, the Texas Legislature has been engaged in an ongoing process of codification of various articles of the Revised Civil Statutes into codes organized by subject matter. In addition, the Supreme Court has replaced the Texas Rules of Civil Procedure that governed appellate practice with the Texas Rules of Appellate Procedure (T.R.A.P.). Any revisions of statutes or rules that are substantive in nature have been incorporated into replacement pages and this cumulative supplement. As pages in this volume are replaced, the citations to former articles and superseded rules will be replaced with the current citations. Until then, correlation tables will be found at the beginning of chapters in this cumulative supplement and immediately after the Table of Statutes contained in Volume 17.

Texas Litigation Guide:

The Top Books of the Year Texas Litigation Guide The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Texas Litigation Guide : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
