Jerome, 2019-11-27 In Sketches in Lavender Blue and Green Jerome K Jerome presents a masterful collection of humorous essays that examine the quirks and eccentricities of Victorian life Through a keenly observant lens Jerome employs a witty conversational style that reflects the artistic movement of the time characterized by its attention to detail and vibrant portrayal of social practices The sketches delve into themes of identity leisure and the absurdities of human behavior all while invoking a palette of colors in their titles that suggest both liveliness and depth in his reflections on everyday life Jerome K Jerome a luminary in literary circles was not only an accomplished author but also a playwright and humorist whose life experiences greatly influenced his writing Born in 1859 he grew up during a period of significant social change and upheaval in England which informed his keen observations and satirical commentary on society His background
