Roman Slavery and Roman Material Culture Michele George,2013-01-01 Replete now with its own scholarly traditions and controversies Roman slavery as a field of study is no longer limited to the economic sphere but is recognized as a fundamental social institution with multiple implications for Roman society and culture The essays in this collection explore how material culture namely art architecture and inscriptions can illustrate Roman attitudes towards the institution of slavery and towards slaves

themselves in ways that significantly augment conventional textual accounts Providing the first interdisciplinary approach to the study of Roman slavery the volume brings together diverse specialists in history art history and archaeology The contributors engage with questions concerning the slave trade manumission slave education containment and movement and the use of slaves in the Roman army Publisher's website [Black and Slave](#) David M. Goldenberg, 2017-05-22 Studies of the Curse of Ham the belief that the Bible consigned blacks to everlasting servitude confuse and conflate two separate origins stories etiologies one of black skin and the other of black slavery This work unravels the etiologies and shows how the Curse an etiology of black slavery evolved from an earlier etiology explaining the existence of dark skinned people We see when where why and how an original mythic tale of black origins morphed into a story of the origins of black slavery and how in turn the second then supplanted the first as an explanation for black skin In the process we see how formulations of the Curse changed over time depending on the historical and social contexts reflecting and refashioning the way blackness and blacks were perceived In particular two significant developments are uncovered First a curse of slavery originally said to affect various dark skinned peoples was eventually applied most commonly to black Africans Second blackness originally incidental to the curse in time became part of the curse itself Dark skin now became an intentional marker of servitude the visible sign of the blacks degradation and in the process deprecating black skin itself **The Literary World** ,1850
