The Promises of God Gary Gallant, 2023-09-14 This is a daily devotional from the Promises of God Zep 3 17 He will take great delight in you he will quiet you with his love he will rejoice over you with singing Here is a verse filled with the tender and loving nature of God offering us a beautiful glimpse into His heart He will take great delight in you These words convey a profound truth about God s attitude toward His people The Creator of the universe finds great joy and pleasure in His creation particularly in His beloved children It s a reminder that we are not just a part of God s plan we are recipients of His deep affection He will quiet you with His love This phrase paints a picture of God s love as a soothing and calming presence In moments of turmoil uncertainty or distress God s love can provide a sense of peace and security that quiets our anxieties It s a reminder that His love is a source of comfort and refuge He will rejoice over you with singing This is an incredibly intimate image God not only loves us but He also rejoices over us with singing It s as if He takes delight in expressing His joy through a beautiful melody This verse highlights the joy and celebration in heaven when even one soul is saved and reconciled to God Zep 3 17 is a powerful reminder of God s deep love and affection for His children It speaks to His desire to bring peace into our lives and to celebrate our presence in His divine plan As you meditate on this verse let it fill you with a profound sense of God s love and His delight in you Embrace His love find solace in His presence and join in the heavenly chorus of rejoicing over the wonderful relationship you have with your Heavenly Father The profound truths of Scripture often require spiritual discernment to fully grasp and appreciate They may not resonate with those who have not yet come to faith or experienced a personal relationship with God 1Co 2 14 acknowledges this concept The person without the Spirit does not accept the things that come from the Spirit of God but considers them foolishness and cannot understand them because they are discerned only through the Spirit This verse highlights that spiritual understanding is a gift of the Holy Spirit and without that spiritual discernment the truths of God may seem incomprehensible or even foolish to those who are not yet believers Recognizing and acknowledging our sinful condition is a crucial step in becoming a child of God This acknowledgment is foundational to the process of salvation and reconciliation with God Here are some key elements of this process Recognizing Sin The first step is to acknowledge that we have all fallen short of God s perfect standard Ro 3 23 We must come to terms with our sinfulness and realize that it separates us from a holy and righteous God Repentance Once we recognize our sinful condition we should be moved to repentance Repentance involves a genuine sorrow for our sins and a turning away from them It s a change of heart and mind that leads us to seek forgiveness and a new way of living Faith in Jesus Christ Accepting our sinful condition is only part of the equation We also need to place our faith in Jesus Christ as our Savior and Lord It is through faith in Jesus that we receive forgiveness of sins and become children of God Joh 1 12 Confession Confessing our sins to God is an important aspect of the process When we confess our sins we are agreeing with God about our need for forgiveness and cleansing God is faithful and just to forgive us when we confess our sins 1Jo 1 9

Receiving God's Grace Salvation is a gift of God's grace We cannot earn it through our efforts or good works It is by God's grace that we are saved through faith Eph 2:8-9 New Life in Christ Once we accept our sinful condition repent place our faith in Christ and receive God's forgiveness we are born again as children of God This new birth transforms us and the Holy Spirit comes to dwell within us empowering us to live a life that is pleasing to God Accepting our sinful condition is the starting point of a journey toward becoming a child of God It's an acknowledgment of our need for a Savior and a recognition of God's abundant love and grace that provides the way for us to be reconciled to Him *The Living Word™ 2025-2026* Rena

How Do We Glorify God? Daniel Klassen, 2021-04-15 The glory of God is a silver thread which must run through all our actions That's how Puritan pastor Thomas Watson described the importance of the glory of God for the Christian life God's greatest concern is His glory the Bible is clear about that He will not give it to anyone else and failure to glorify Him certainly warrants eternal judgement But God's glory is more than a mandate for His creation He has intertwined it with our identity so we are unable to find meaningful purpose apart from displaying His glory in every part of life Many Christians today are bombarded with philosophies programs and self help books promising them a meaningful and purposeful life But instead of helping them achieve their goal they distract from the true source of meaning and purpose How Do We Glorify God provides an accessible clear and practical guide to help Christians find meaningful purpose in a world of distractions Through Puritan thought and Biblical study faithfulness to Christ and His gospel is inspired pressing questions about sin and suffering are covered hope in the promises of God is instilled and eternal satisfaction is guaranteed

One Layman's Contemporary Theology Michael S. K. Toh, 2014-07-17 The credential of the author is based upon the fact that he is a trained psychologist a biologist and a scientist and has been in management business fields for many years having been exposed in all aspects of commerce and finance He has a Master degree in Industrial Psychology from the

University of Sydney Bachelor of Science degree with a double major in psychology from Australian National University and a major in Biology from RMIT Was awarded the Elizabeth and Martin Summit Prize in Psychology an annual award given to the most outstanding student in Psychology at Sydney University He has been teaching in a university for several years and was involved in politics for some time but voluntarily chose to pursue a different path because of the incompatible sets of values that are required against what he believed in He has a background of Buddhist and Confucian upbringing and was converted to being a follower of Jesus as a Catholic However he had been battling with what the churches taught and his knowledge and understanding in the fields of biology and psychology new discoveries of physical sciences in which he was trained against the background of his upbringing in a culture that was homogenous and has survived for more than 5000 years of history and his life experiences in the modern commercial materialistic world culture He believes in doing Gods work in whatever circumstances he was placed to be guided by the principles of what he believed Jesus has taught in establishing a consistent logical framework that is universal and more holistic the result of which is the writing of this book One of his greatest gifts is his ability to analyze things logically and he has been a good debater when he was at school He has thus put all his thoughts down gathered from his training life experiences and his wide exposure in the modern world environment to establish an overall consistent logical framework in understanding the meaning of life in the order of things and the role religion plays in assisting each individuals to achieve the universal objective of a salvation and the conflicts that are generated as a result of different derivatives of history and culture of the world
