

BLAZE

Red-hot reads from Temptation!

Under Arrest

The blonde with the cornflower blue eyes caught Mason O'Neill's attention...as a cop...and as a red-blooded male! Clearly Bailey Grayson was out of her element on the streets of L.A. So he decided to arrest her—temporarily—to keep her safe...

Safe from whom? Mason was determined to help Bailey find her missing sister. But increasingly he was drawn to her beguiling mix of innocence and sensuality. He wanted Bailey in his bed—but that was against *all* the rules...

Long Valley Romance series For fans of Cynthia D Alba Jillian Neal or Miranda Lawson this is a HOT romantic box set with four guaranteed happily ever afters It does contain some strong language and oh my sexy times Enjoy **The Truth about Language** Michael C. Corballis,2024-05-31 Evolutionary science has long viewed language as basically a fortunate accident a crossing of wires that happened to be extraordinarily useful setting humans apart from other animals and onto a trajectory that would see their brains and the products of those brains become increasingly complex But as Michael C Corballis shows in *The Truth about Language* it s time to reconsider those assumptions Language he argues is not the product of some big bang 60 000 years ago but rather the result of a typically slow process of evolution with roots in elements of grammatical language found much farther back in our evolutionary history Language Corballis explains evolved as a way to share thoughts and crucially for human development to connect our own mental time travel our imagining of events and people that are not right in front of us to that of other people We share that ability with other animals but it was the development of language that made it powerful it led to our ability to imagine other perspectives to imagine ourselves in the minds of others a development that by easing social interaction proved to be an extraordinary evolutionary advantage Even as his thesis challenges such giants as Chomsky and Stephen Jay Gould Corballis writes accessibly and wittily filling his account with unforgettable anecdotes and fascinating historical examples The result is a book that s perfect both for deep engagement and as brilliant fodder for that lightest of all forms of language cocktail party chatter **Cement-mill & Quarry**,1925
