Messages that Work Patrick O. Marsh,1983 *Acting -- Make It Your Business* Paul Russell,2010-06-02 *Acting Make It Your Business* written by an award winning veteran casting director puts the power to land jobs and thrive in any medium stage film TV or the Internet directly into the hands of the actor This blunt wise and often hilarious guide overflows with cutting edge audition marketing and networking strategies combining traditional techniques with those best suited for the digital age Well known actors and powerful agents make cameos throughout offering newcomers and working professionals

alike a clear eyed uncensored perspective on survival and advancement within the entertainment industry Huorous and witty Actors everywhere who are trying to succeed in the business young or old on stage or on camera in New York or anywhere in the world take note This is your road map Bernard Telsey casting director Rent Sex The City The Movie Wicked All the right questions asked and answered and with a generous portion of good humor Suzanne Ryan casting director Law Order Paul s book made me proud to be a part of the acting community in this business we call show Karen Ziemba actress Tony and Drama Desk Award Winner From the Trade Paperback edition *Musical Theater in Schools* Rekha S. Rajan,2019-01-03

Musical Theater in Schools Purpose Process and Performance is a comprehensive resource for general classroom teachers music and drama educators The book is the first of its kind to provide strategies for including musical theater across the K 12 curriculum inviting teachers and arts specialists to utilize musical theater as an interdisciplinary art form within their own classrooms or as collaborative projects throughout the school community Typically relegated to after school activities musical theater can have a strong place both as an avenue for performance creativity and self expression or as a pathway for student learning about academic subjects Drawing upon musical theater terminology the book is organized into three distinct acts The first section gives an overview of how this popular art form developed and how its stories reflect our culture and community with descriptions of musical theater as a profession for adults and for children This section also discusses musical theater s compromised position within the arts often relegated to theater departments even though repertoire and songs are available to music teachers and argues for musicals as a form of interdisciplinary education The second section outlines ways of integrating musical theater into the curriculum with considerations for the National Core Arts Standards The third section provides suggestions for auditions casting rehearsing and presenting a complete production with a specific focus on student centered performances Based on the author s own experiences as a professional musical theater performer coupled with teaching and research in classroom settings the book reasons that you do not have to be a Broadway star to teach or perform musical theater This unique and innovative book supports educators through the process of bringing musical theater into the biggest and most important performance space the classroom stage
