Talking About Our Faith:

The God Conversation J. P. Moreland, Tim Muehlhoff, 2017-02-14 Every day it seems more difficult to explain to others what we believe and why When our arguments fail to persuade them what then J P Moreland and Tim Muehlhoff say that the best way to win over others is with a good story In this expanded edition of their classic book the authors give practical coaching and illustrations to help us communicate our faith more effectively **Self Talk, Soul Talk** Jennifer Rothschild, 2007 Words are powerful and what a woman says to herself makes a difference These words are what Rothschild refers to as soul talk She shares from her own life and Scripture how women can turn their self images and lives around for good *Speaking Our Faith Leader Guide* Kit Carlson, 2018-03-17 This Leader Guide offers five session plans designed to bring the process described in Kit Carlson s book *Speaking Our Faith* to small groups of adults in a congregational or school chaplaincy setting in order to help them learn how to speak and share their faith Guidance for the leader in how to facilitate each conversation is given noting issues that tend to arise in each of the sessions Homework assignments continue the work from week to week and are provided as well The time to speak to share our faith is now Through the sessions provided participants will learn how to put words to their own experiences of God create their own statements of belief and begin to have compassionate caring conversations with other people about spirituality belief and Jesus Christ **What Democrats Talk about when They Talk about God** David Weiss, 2010-01-01 What Democrats Talk about When They Talk about God is a collection of essays on the religious communication of members of the Democratic Party past and present in office while campaigning and in their public and private writing While many books on the market address issues at the intersection of church and state none to date have focused exclusively on Democrats as important participants in the dialogue about religion and politics Holy Conversation Richard Peace, 2006-05-22 Richard Peace teaches you how to engage in easy and comfortable conversation about the good news of Jesus Explaining the gospel in plain language and offering practical suggestions for sharing your faith with friends neighbors and colleagues he provides twelve study and discussion sessions perfect for small groups to work through and try out together **The Best Kept Secret of Christian Mission** John Dickson, 2010 This book comes out of years of reflection failures and some successes in the task of reaching out to others with the gospel Many Christians think of the task of mission as an entirely verbal activity when perhaps the best kept secret of New Testament teaching about mission is that it involves a whole range of activities that explicitly promote Christ to the world and draw others to him and only a few of them involve speaking Without diminishing or downplaying the importance of speaking the gospel John Dickson shows that on the other hand downplaying the range of activities that promote Christ to the world has its own set of problems It can make those who are not confident about speaking of anything let alone Jesus feel inadequate and self conscious in the task of reaching out to others Equally it can make those who do have a flair for speaking feel as though they are fulfilling Christ s mission just by talking But the reality is that the Lord wants our whole life not just

our lips in the task of bringing the gospel to the world Every facet of our lives can be used by God to promote the news of his power and mercy In this practical guide to the biblical art of sharing your faith John Dickson offers refreshing insight into the ways that all Christians can and should be involved in spreading the good news of Jesus While not all Christians are called and gifted to become evangelists we are all called to promote the gospel through a wide range of activities prayer financial partnership good deeds godly lives public worship daily conversation etc with and without our lips As readers engage with this book grapple with its arguments and hear the stories of people coming to faith they will be inspired to see the whole of life as significant for bringing the gospel to the world and they will be liberated out of guilt and self consciousness in

evangelism into becoming perfectly natural promoters of Jesus Christ **Talking to God** Donald Guy, 2015-04-15 Talking to God is an inspirational daily devotional book written by Donald Guy Each day you will experience the Holy Spirit through the stories he shares and through the revelations that touch your soul This book will truly advance God's Kingdom **A**
